Implementation of Genomic Medicine in Africa: One continent, one vision Maritha J. Kotze,Tivani Phosa Mashamba-Thompson,Dawn Stephens,2023-02-14

From Memory to Marble Elizabeth Rankin,Rolf Michael Schneider,2020-09-07 For the first time the 92 metre frieze of the Voortrekker Monument in Pretoria one of the largest historical narratives in marble has been made the subject of a book The pictorial narrative of the Boer pioneers who conquered South Africa's interior during the Great Trek 1835-52 represents a crucial period of South Africa's past Conceptualising the frieze both reflected on and contributed to the country's socio-political debates in the 1930s and 1940s when it was made The book considers the active role the Monument played in the rise of Afrikaner nationalism and the development of apartheid as well as its place in post-apartheid heritage The frieze is unique in that it provides rare evidence of the complex processes followed in creating a major monument Based on unpublished documents drawings and models these processes are unfolded step by step from the earliest discussions of the purpose and content of the frieze through all the stages of its design to its shipping to post-war Italy to be copied into marble from Monte Altissimo up to its final installation in the Monument The book examines how visual representation transforms historical memory in what it chooses to recount and the forms in which it is depicted The second volume expands on the first by investigating each of the twenty-seven scenes of the frieze in depth providing new insights into not only the frieze but also South Africa's history Francois van Schalkwyk of African Minds co-publisher with De Gruyter writes From Memory to Marble is an open access monograph in the true sense of the word Both volumes of the digital version of the book are available in full and free of charge from the date of publication This approach to publishing democratises access to the latest scholarly publications across the globe At the same time a book such as From Memory to Marble with its unique and exquisite photographs of the frieze as well as its wealth of reproduced archival materials demands reception of a more traditional kind that is on the printed page For this reason the book is likewise available in print as two separate volumes The printed and digital books should not be seen as separate incarnations each brings its own advantages working together to extend the reach and utility of From Memory to Marble to a range of interested readers For more material you can browse at Stanford's database Voortrekker Monumentality a digital archive

Independence in 21st-Century Popular Music Shannon Garland,Pedro Belchior Nunes,Pedro Roxo,2025-01-23

Can music be made independently in the 21st century More than a generation of musicians music workers and music companies have now been operating in the context of the profound shifts in music production and dissemination in the digital era Scholarly focus on musical independence has often been centered on genres like punk and indie rooted in the US and UK This volume focused outside the Euro American context shows the variety of ways musicians music workers and businesses manage the economic media and cultural shifts propelled by digitalization asking what it means now to say one is independent It brings together scholars from around the globe who are researching forms of music production circulation consumption and finance that blur the boundaries between the dominant corporate players and independent cultural production With chapters detailing popular music in Argentina Brazil Chile Cuba Indonesia Portugal Spain and Taiwan independence is shown to be a concept and practice simultaneously nebulous contradictory and practical
