book in the series this time with children's worship songs arranged for the ukulele. This songbook is really several books in one. A Solo Book: You can learn to play the melodies in this book by using the tablature (TAB) lines underneath the melody lines for each solo. The TAB acts like a map to help you know where to put your fingers on the neck of the ukulele. There are many videos online that can help you learn how to use TAB. I've added the TAB to each song to help you play the solo line if you would like to do that. A Sing Along Book: Maybe you want to use this book to sing and strum these melodies. Each one comes with the chord diagrams above the melody line. These chord diagrams will show you where to place your fingers on the neck of the ukulele. When you have all the fingers placed you then can strum the chord and sing the melody while you play. A Duet Book: When both you and a friend play ukulele you can turn this book into a duet book. In the book you will have the melody for one player to play while the other player strums the chords. By playing together you can have great fun. Each of the songs are in alphabetical order to be easy to find. And to make playing easy for even the youngest child only the necessary chords are included for easy chord changes. Plus there are bonus spaces to journal or draw your special moments as you play. This book is not only a fun book to sing and play but it can be a diary of your sacred thoughts if you so choose. All in all what a power-packed songbook for young and old alike. **Ministry Resources for Community Life** Ann Marie Eckert, 2004

Sensing that there might be an opportunity to fill this void, he and his graphic artist wife Liz created Flea Market Music Inc. which for thirty years has published more than three dozen song and instructional books totaling over one million copies in print. They have also grown the ukulele market through their influential [fleamarketmusic.com](#) website, the creation of the popular UKEtopia concert series, marketing and promoting their family's line of ukuleles, consulting on two
