The Grants Register 2016 Palgrave Macmillan Ltd, 2016-12-27 The most comprehensive guide on postgraduate grants and professional funding globally For thirty four years it has been the leading source for up to date information on the availability of and eligibility for postgraduate and professional awards Each entry is verified by its awarding body and all information is updated annually

The Responsive University and the Crisis in South Africa, 2021-05-31 Around the world higher education is faced with a fundamental question what is the basis for our claim of societal legitimacy In this book the authors go beyond the classical response regarding teaching research and community engagement Instead the editor puts forward the proposition that the answer lies in responsiveness the extent to which universities respond or fail to respond to societal challenges Moreover because of its intractable legacy issues and crisis of inequality the question regarding the societal legitimacy of universities is particularly clearly manifested in South Africa one of the most unequal countries in the world The Responsive University brings together contributions on the issue of responsiveness from a number of international university leaders half of them specifically addressing the South African situation within the context of the international situation as presented by the other authors In the global discussion about the role of universities in society this book provides a conceptual framework for a way forward

Postgraduate Study in South Africa Liezel Frick, Puleng Motshoane, Christopher McMaster, 2016-11-21 The book explores concerns about the lack of higher education transformation around issues of equity curriculum reform language and race and how students navigate higher education complexities Students self reflective abilities creativity and pragmatic approaches to surviving and succeeding are indicators that postgraduate student success is as much internally as externally determined Each chapter speaks from a uniquely South African perspective The editors have tried to remain true to the voice of each contributor while simultaneously providing a coherent body of scholarly work

Postgraduate Supervision Magda Fourie-Malherbe, Ruth Albertyn, Eli Bitzer, 2016-11-21 The 24 chapters contained in this volume provide diverse but also congruent perspectives on future foci for research into postgraduate education and supervision in the knowledge society The chapters move from deliberations on challenges for postgraduate supervision at macro level such as the pressure to increase postgraduate output and the implications of increasingly managerialist institutions to meso level matters the form and function of postgraduate education in specific countries to the micro rich case studies of individual institutions programmes and supervisors

The Nigerian Healthcare System Joseph Abiodun Balogun, 2022-01-28 The modern day practice of health care was imported into Nigeria over 500 years ago In 1947 the first national health plan was developed in Nigeria with the primary goal of providing universal health care UHC but this goal remains elusive to date This comprehensive book presents the roadmap needed to attain UHC in Nigeria and offers a blueprint for achieving high quality health care in the nation Starting with a brief overview of the Nigerian state the fundamentals of health care including the challenges to affordable quality healthcare delivery the author

critically examines the healthcare system in Nigeria and offers specific recommendations to invigorate the system and improve interprofessional collaborations Each chapter includes case studies to allow readers to contextualize the information presented and behavioral learning objectives to test readers knowledge Among the topics covered The Organizational Structure and Leadership of the Nigerian Healthcare System The Vulnerabilities of the Nigerian Healthcare System The Spectrum of Complementary and Alternative Medicine Emerging Developments in Traditional Medicine Practice in Nigeria The Plight of Persons Living with Disabilities The Visible Invisibles in Nigeria A Comparative Analysis of the Health System of Nigeria and Six Selected Nations Around the World A Qualitative Investigation of the Barriers to the Delivery of High Quality Healthcare Services in Nigeria The Political and Economic Reforms Needed to Achieve Universal and High Quality Health Care in Nigeria Reimagining the Nigerian Healthcare System to Achieve Universal and High Quality Health Care by 2030 The Nigerian Healthcare System Pathway to Universal and High Quality Health Care is ideal for adoption as a textbook in health services administration health policy and management health informatics healthcare delivery systems and primary health care courses offered at universities in Nigeria It also would appeal to students and faculty in African diaspora programs internationally The book is also essential for policymakers health systems technocrats researchers and professionals in various health disciplines including medicine nursing and allied health
