The Ultimate Guide to Video Game Writing and Design Flint Dille, John Zuur Platten, 2008-01-08. Authors are top game designers. Aspiring game writers and designers must have this complete bible. There are other books about creating video games out there. Sure, they cover the basics. But *The Ultimate Guide to Video Game Writing and Design* goes way beyond the basics. The authors, top game designers, focus on creating games that are an involving emotional experience for the gamer. Topics include integrating story into the game, writing the game script, putting together the game bible, creating the design document, and working on original intellectual property versus working with licenses. Finally, there's complete information on how to present a visionary new idea to developers and publishers. Got game? Get *The Ultimate Guide to Video Game Writing and Design*.

Game Design Jim Thompson, Barnaby Berbank-Green, Nic Cusworth, 2007-03-09. Practical, complete coverage of game design basics from design process to production. This full-color, structured coursebook offers complete coverage of game design basics, focusing on design rather than computer programming. Packed with exercises, assignments, and step-by-step instructions, it starts with an overview of design theory, then progresses to design processes, and concludes with coverage of design production. Jim Thompson, Barnaby Berbank-Green, and Nic Cusworth, London, UK, are computer game designers and lecturers in animation and computer game design.
