

CHAPTER 1.

This day is not suppose to be like this. What is suppose to be the happiest day of my parents lives has turned out to be the worst. Just a week before my sister's "so called wedding" must take place, she left a letter stating that she's not pregnant for the man she has to marry, she doesn't love him and she has eloped to marry the father of her child. We don't know where she is and everyone has been calling her but her phone is switched off but I think she changed her numbers.

My mom has been crying non stop all week and dad being him has been roaring like a caged lion because he can be pretty strict sometimes....who am I kidding most of the time, so this behavior from my sister shook everyone mostly my parents coz she's the apple of their eyes. So today is the day where the negotiations must conclude and everyone is on edge coz we don't know what my dad is going to tell her fiance's family.

I'm lungi mazibuko, I'm 25 and I'm the second born, of Thuli and sipho mazibuko. My elder sister is nobuhle mazibuko she's 30 the one who ran away and then our little brother thami mazibuko who's 20. My dad is 57, mom is 50 and we live comfortably and we not rich or poor. We live in Mpumalanga province Standerton.

My dad is a correctional officer at the Department of Correctional Services. Mom is a teacher at a primary school and my older sister was or is working in Joburg for some law firm as registry clerk and I work as a secretary for some real estate company and my brother is studying civil engineering at TUT.

I know why you're wondering why I'm not living at my own place as I'm 25 well I tried but dad refused when I told him and he said I'll leave this house the day I get married. I think it's because he wanted to control me. They provide us with everything we need but it has never been a secret that nobuhle is their favourite child. So you can imagine the shock they felt when they read that letter.

My brother found it, came to my room and we read it before we took it to them. Dad has been been mum about it the whole week thinking buhle will show up before the week ends but she didn't so he had no choice but to call our uncles and tell them what happend.

My uncles and dad have been discussing a way forward since they arrived in the morning because today my sister's in-laws are coming to finalise the Amalobo negotiations. I know the in-laws of my sister are rich and so is her fiancee. I have never seen him or heard of him but maybe my parents do but I'm not sure because my sister came home one day and announced that there's a man who wants to marry her, he's rich and hearing that my dad's ears started ringing and he agreed to start the lobola negotiations as soon as possible.

Mom told anyone and everyone that her daughter is going to marry a rich man from Joburg who lives in Sandton. She was so excited and started to interview people who'll do the catering and decor because her princess deserves only the best. She's in her bedroom right now because she said she thinks she's going to have a heart attack.

We're in the kitchen and it's me, my cousin simphiwe I call her Sims then her mom who is my aunt. The mood is sour and it's like someone has died and we're preparing for a funeral.

Sims: " Luh "

Me: " Sim!" I look at her as I'm busy grating the carrots
