Un Choix Douloureux:

Neuroéconomie Christian Schmidt, 2010-03-25 Qu'est-ce que la neuroéconomie annonce-t-elle? Une révolution intellectuelle susceptible de donner un nouveau souffle à la science économique. Ce livre entend montrer pourquoi et comment les premiers résultats de ce programme de recherche conduisent à viser plusieurs de ses concepts clefs. Le premier objectif des économistes est d'aboutir à un modèle général aussi indépendant que possible des psychologies singulières des différents agents. L'inverse de la neurobiologie prend en compte la diversité des opérations mentales qui interviennent dans la décision et la complexité qui caractérise leurs relations. C'est une confrontation de ces perspectives différentes que propose Christian Schmidt autour de trois questions centrales: comment effectuons-nous nos choix? Comment évaluons-nous les risques de nos décisions? Comment interagissons-nous avec les autres? Quand les sciences du vivant viennent enrichir celles des activités humaines? Un domaine crucial de l'économie en plein panouissement tudi avec recul et précision par l'un de ses meilleurs spécialistes, Christian Schmidt, est professeur à l'Université Paris IX Dauphine. Il a fondé récemment l'European Neuroeconomics Association. Il a publié plusieurs ouvrages consacrés notamment à la théorie des jeux et aux relations de l'économie avec la guerre.

Douloureux Carolyn Zane, 2002-12 **Higher Education in an Age of Disruption** Anna P. Lohse, 2024-05-21 This book investigates European higher education internationalisation policies during a period marked by extreme upheaval due to Brexit and the COVID 19 pandemic. Situating her analysis at the intersection of higher education research and policy studies, the author combines historical and sociological institutionalism to investigate how this time of disruption impacted higher education policies in England, France and Germany. Based on extensive qualitative data derived from expert interviews and document analysis, the study offers timely insights into dynamics of institutional change and stability in higher education governance as well as implications for the future of cross border education and internationalisation. The book will appeal to academics and students interested in education policy and the internationalisation of higher education.

Autant de faits d'actualité qui ont fait la une des journaux pour ensuite quitter les feux des projecteurs et sombrer dans l'oubli. Pourtant bien y refléchir certains événements restent bien davantage que les autres en l'air sur l'état d'une société. Pour peu qu'on veuille bien de passer leur singularité qu'on accepte de se pencher sur les plus belles manières d'un oignon, ils peuvent servir de prétexte une réflexion approfondie sur des thématiques aussi variées que le féminisme, le racisme, l'enseignement ou la vie privée d'un roi. On peut couvrir une couche après une autre, mais les choses sont souvent moins simples qu'il n'y paraît et que le plus grand danger qui menace nos sociétés est peut-être le simplisme d'un point de vue aussi rassurant que ravageur. **Burkina Faso.**

Cent ans d'histoire, 1895-1995 (2 tomes) MADIEGA Yénouyaba Georges, NAO Oumarou, 2003-12-01 Cet ouvrage propose un bilan des recherches sur l'histoire contemporaine du Burkina Faso. La centaine d'articles d'auteurs de disciplines diverses traite de questions variées, méthodologie conquête et colonisation, francaises transformations politiques, économiques, sociales, culturelles et artistiques des sociétés burkinabées.

La famille dans l'ordre juridique de l'Union européenne / Family within the Legal Order of the European Union Elsa Bernard, Marie Cresp, Marion Ho-Dac, 2020-12-31 Le droit de la famille dans sa dimension civile est profondément ancré dans les cultures nationales des États membres. Il est une matière qui ne relève pas en principe du droit de l'Union européenne. Pourtant il n'est plus possible d'affirmer que la matière chapeau dans son entier au droit de l'Union. De nombreux aspects de la famille sont sous influence européenne au point que l'on voit se dessiner les contours d'une famille européenne. L'ouvrage propose de mettre en lumière l'acquis européen en matière de droit de la famille au prisme du droit national, citoyenneté européenne, politique sociale de l'Union, fonction publique européenne comme du droit international privé. Le droit de la famille de l'Union s'identifie alors comme un droit spécial complétant la diversité des droits nationaux de la famille. Sa signification théorique et politique dans l'Union est débattue par les auteurs autant que son devenir. Loin de demeurer fragmentaire, c'est des droits nationaux des États membres qu'il a probablement vocation à densifier pour offrir aux citoyens et résidents européens un droit commun de la famille au sein de l'Union. *Family law with its civil law tradition and strong roots in the national cultures of the Member States does not normally fall within the scope of European law. However, it is no longer possible to argue that family law is outside European law entirely. There are many aspects of the family which are subject to European influence to the point that the outlines of a European family are starting to emerge. This book is intended to highlight the European experience of family law and its substantive impact on European citizenship, EU social policy, EU civil service and private international law aspects. Union law therefore contains a form of special family law which is shared between the Member States and supplements their national family laws. Its theoretical and political importance in the Union as well as its future are discussed by the authors. Far from remaining fragmented alongside the national laws of Member States, it will likely develop to offer European citizens and residents a common family law within the EU.*

Le cygne noir - Tome 4 Frédérique Roger, 2022-10-21 Le Bienvenue dans ma vie tait plein de promesses. Julia a tout quitté pour suivre son pompier à Paris. Toutefois la jeune femme ne s'habitue pas à la vie en caserne. Le lendemain elle fuit la capitale.

pour se réfugier en Corse. Elle y voit l'occasion de se réconcilier avec son père et retrouver Baptiste, son amour d'enfance. Cependant une mystérieuse affaire de disparition bouleverse leurs retrouvailles. Pour découvrir la vérité, elle se rapproche de Baptiste. Il réalise que son couple est en danger et rejoint la Corse pour récupérer sa compagne. Seulement, il n'est pas déjà trop tard. PROPOS DE L'AUTEURE : Frédérique Roger a développé son goût pour l'écriture dès le collège, puis elle s'est consacrée à sa vie de famille et son métier d'enseignante. L'Horloger de Saint-Jean : Serge Russo, 2014-05-15. Qui est Roch Gladstone, le braqueur d'une banque de La Defense ou un biologiste français canadien devenu gagnant ? Amnésique depuis une mystérieuse agression, il est recueilli par un vieil horloger misanthrope aux motivations floues et ses enfants adoptifs, nigmatiques, une beauté maladive et un Quasimodo des temps modernes. Qui qu'il soit, Roch devra fuir mais traverser trois continents, sa quête de vérité l'opposera à des forces qui le dépassent : Biotechnologies, terrorisme, complot... Complex mais accrocheur, labyrinthique mais immersif, "L'Horloger de Saint Jean" brouille les pistes, nous entraînant dans un rythme d'enfer dans un scénario tiroirs qui en dit long sur le monde d'aujourd'hui et de demain.

"Serge Russo signe un thriller aussi efficace qu'effrayant, dont les révélations et les clefs hantent encore longtemps après la dernière page." *Le fils de l'étoile, né de la montagne.* Alexandre Le Grand / Соловьев, 2019-05-16. Le livre parle d'Alexandre, un guerrier qui détestait les combats de poing, un dirigeant qui interdisait de tuer des personnes, mais un général qui n'a pas osé bander les blessures. Un homme dont la vie et la mort sont devenues une légende.

Christian Democracy in the European Union, 1945/1995 : Emiel Lamberts, 1997. The authors investigate the influence of Christian Democratic parties on political institutions, parliamentary democracy and European integration, and socio-economic structures, the collective bargaining economy and the welfare state.
