Un Combat Pour La Justice:

On Law and Justice Alf Ross, 2019-11-20 Alf Ross 1899-1979 was in H. L. A. Hart's words the most acute and best equipped philosopher of Scandinavian legal realism. *On Law and Justice* provides a comprehensive outline of his legal realist position offering a consistently empirical research programme that simultaneously recognizes the distinctly normative character of law. Ross's legal realism avoids the standard critiques against behaviourist reductionism while still remaining categorically distinct from legal positivism and natural law. This new edition features an introduction by Jakob v. H. Holtermann clarifying Ross's general philosophical project and detailing the sophisticated dual distinction between internal and external aspects of law that provides a counterpoint to Hart's celebrated analysis. This new translation will allow readers to appreciate Ross's insights into the ongoing empirical turn in legal scholarship and related attempts to associate legal realism with broader philosophical trends.

My Path to Peace and Justice Richard T. McSorley, 2010-05-01 Richard T. McSorley S. J. 1914-2002 led an extraordinary life. He survived a World War II prison camp to become one of the great peacemakers of the twentieth century. From struggles against segregation in the late forties to Vietnam War protests in the sixties to condemnation of nuclear weapons in the eighties, McSorley has been on the cutting edge of the great social justice movements of the last half century. His life crossed paths with many of the world's most notable figures: Dorothy Day and Peter Maurin, Martin Luther King Jr., Daniel and Philip Berrigan, the Kennedy family, Bill Clinton, Don Helder Camara, and a host of peace leaders from throughout the world. In this autobiography published six years before his death, McSorley documents his life, his travels throughout Europe, South America, Central America, and the Middle East. His descriptions of these events form a backdrop of the real story, his spiritual journey toward active peacemaking and unswerving pacifism. Through it all, he weaves the thread of the theology of peace. He applies gospel principles to our social and government structures. McSorley may be best known for his ability to cut through academic arguments to state the truth in the most basic of terms. He counters the justification of war with the biblical call to love enemies. This book is an account of a life devoted to God and of service to the community.

Ethique de la sainteté Jacques Ellul, 2024-11-20 Soyez saints car je suis saint. Lv 19:2 dit le Dieu de la Bible quel sens peuvent prendre ces paroles dans notre contexte d'aujourd'hui, en particulier dans la société technicienne. Pour le saisir, Jacques Ellul se propose d'opposer radicalement saint et sacré afin d'entrer dans une désacralisation de toutes nos idoles modernes. Pouvoir, argent, technique. Au moyen de commentaires détaillés du Sermon sur la montagne et des paraboles évangéliques du Royaume, il définit précisément ce que peut être la vocation d'un chrétien au XXI^e siècle. En dialogue avec Karl Barth, Dietrich Bonhoeffer, Rudolf Bultmann, René Girard, Jean Ansaldi, Emmanuel Levinas et bien d'autres auteurs majeurs, Jacques Ellul synthétise avec bonheur son œuvre plurithématique et nous offre des développements tout à fait novateurs sur des thématiques inédites. Doté d'une lucidité perceptive, Jacques Ellul annonce ce qui nous arrive aujourd'hui et trace des chemins d'espérance. La publication de cet ouvrage est un véritable événement éditorial.
