Honeyman, 2017-10-16 Excerpt from The Secrets of Violin Playing Being Full Instructions and Hints to Violin Players for the Perfect Mastery of the Instrument The extensive field over which my little works appear to have travelled has called forth a very great amount of correspondence always eulogistic but generally containing also many practical questions on points not fully explained in the books On many of these points there must always be some difference of opinion but so far as it is in my power I shall endeavour to make them clear in these pages in a manner so impartial that the reader may to a great extent rely upon his own judgment in the adoption or rejection of the hints Many of them need not be placed before a beginner at all inasmuch as so many minute details are apt to scare a young player It is therefore to violin players more than beginners that I now address myself and more especially the earnest student About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Violin Playing John Dunn, 1915 **The Secrets of Violin Playing** Wm C. 1845-1919 Honeyman, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge
