Mastering the Selection Process J. Brennan, 2019-10-12 Are you struggling with the selection process? Does your application keep getting rejected or worse ignored? Are you overwhelmed by the amount of screening questions? Are you stuck in a position and want to move up the ladder? If you answered yes to any of these questions, then this book is for you. In this easy-to-understand guide, you will learn:

- The 1 mistake that applicants make
- Why your résumé needs to be written differently
- How to write a cover letter that stands out from the rest
- What you need to say during an interview
- How to get a job offer

Getting screened in is possibly the most difficult part of the selection process. With the little-known yet simple strategies exposed in *Mastering the Selection Process*, you'll dramatically increase your chances of success. From the first application to the final interview, each chapter will walk you through every step of your journey with achievable goals that will help ensure your application gets screened in.

Moving to Office 365 Matthew Katzer, 2015-11-27 This book takes a concentrated look at the very latest best practices for Office 365 migration, with a focus on the needs of senior managers, IT managers, and others involved in key decisions when moving their business to the cloud. Based on popular chapters in his first book, *Office 365 Migrating and Managing Your Business in the Cloud* (Apress), Open co-authored with Don Crawford, author Matt Katzer revises and expands on his original material to bring you the latest guidance on planning, methods, management, best practices, personnel decisions, and migration and maintenance costs, along with brand-new material on some of the most important and cutting-edge considerations when moving your business to the cloud: securing company data and driving collaboration in the workplace. Topics covered include:

- The Office 365 cloud security model and best practices to apply when securing your business in the cloud
- Microsoft Office 365 operation and usage options for any size enterprise
- Proven methods for planning and minimizing disruption
- A step-by-step migration plan
- How to improve employee collaboration and productivity through use of Office 365's collaborative apps, including Excel, Outlook, Web Access, OneDrive, and Skype for Business
- Office 365 site management advice for IT administrators and business owners

Moving to Office 365 provides practical and planning guidance for business owners and CIOs, CTOs, and IT managers who have responsibility for the IT needs of their business.
