

UK Visas & Immigration

This guide is provided free of charge
and is for use outside the UK only.

You should read this information guide to help you decide which documents will be useful in supporting the statements that you have made on your visa application form (VAF).

It is not a list of documents that you must submit. We do not expect you to provide all of the documents listed below, it is for you to decide which documents are most relevant to your application.

If you submit a document that is not in English or Welsh, it must be accompanied by a full translation that can be independently verified by the Home Office. Each translated document must contain:

- confirmation from the translator that it is an accurate translation of the original document;
- the date of the translation;
- the translator's full name and signature; and
- the translator's contact details.

The submission of all or any of these documents does not guarantee that your application will be successful.
