Policing and Boundaries in a Violent Society Guy Lamb, 2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization **New Public**

Management in Africa Benon C. Basheka, Lukamba-Muhiya. Tshombe, 2017-08-25 The administrative sciences have been dominated by a turn to managerial perspectives in the late 20th and early 21st centuries and in the spirit of this turn New Public Management or NPM promises to produce efficient responsible and client oriented public services The reforms carried out in the pursuit of New Public Management are often accompanied by great optimism and rapid enthusiastic steps toward implementation Even in highly developed industrial countries however these fundamental reforms often overlook the political and cultural contexts of the implementing country New Public Management in Africa Emerging Issues and Lessons provides much needed theoretical foundations for NPM reforms in the African context and reflects on the success of existing reforms in the development of several African states The individual contributions in this timely volume provide important analyses of academic discourse practical policy achievements and desiderata The book as a whole however provides a valuable impetus for public administration research in and on African states sharing findings on the results of reforms to date and adjustments required for these reforms to succeed For public administration researchers outside of Africa this book offers a review of New Public Management case studies that are unavailable or difficult to find elsewhere contributing much to the exchange between African and Western administration science research and demonstrating that African administrative research is well prepared to help resolve global challenges **Textbook of Critical Care: First South Asia Edition - E-Book** Jean-Louis
