A Regional Perspective on the Post-2015 United Nations Development Agenda United Nations. Economic and Social Commission for Western Asia, 2013 In September 2011 the Secretary General requested Under Secretary General for Economic and Social Affairs and the Administrator of the United Nations Development Programme UNDP to establish a core group of dedicated senior technical experts to coordinate system wide preparations on ongoing efforts and propose a unified vision and road map for the definition of a United Nations development agenda post 2015 in consultation with all stakeholders As a result of this request the United Nations System Task Team on the Post 2015 United Nations Development Agenda UNTT was established and launched in January 2012 UNTT is co chaired by the United Nations Department of Economic and Social Affairs DESA and UNDP and is composed of more than 60 entities of the United Nations system including all the Regional Commissions Its terms of reference include the formulation of a system wide vision and road map to contribute to the global debate on the post 2015 United Nations development agenda In June 2012 UNTT issued a report to the Secretary General entitled

Realizing the Future We Want for All The report identifies a future vision based on the core values of human rights equality and sustainability and proposes to reorganize a post MDG framework along four dimensions i inclusive social development ii inclusive economic development iii environmental sustainability and iv peace and security The report concludes by stressing the need to develop a post 2015 agenda that responds to people s aspirations through clear easy to communicate goals that will help guide coherent policy action at the global regional and national levels The present report is designed to make a regional contribution to that global policy debate including by identifying practical difficulties in achieving such policy coherence at different levels Publisher s description

Police Integrity in South Africa Sanja Kutnjak Ivkovich, Adri Sauerman, 2020-04-29 Policing in South Africa has gained notoriety through its extensive history of oppressive law enforcement In 1994 as the country s apartheid system was replaced with a democratic order the new government faced the significant challenge of transforming the South African police force into a democratic police agency the South African Police Service SAPS that would provide unbiased policing to all the country s people More than two decades since the initiation of the reforms it appears that the SAPS has rapidly developed a reputation as a police agency beset by challenges to its integrity This book offers a unique perspective by providing in depth analyses of police integrity in South Africa It is a case study that systematically and empirically explores the contours of police integrity in a young democracy Using the organizational theory of police integrity the book analyzes the complex set of historical legal political social and economic circumstances shaping police integrity A discussion of the theoretical framework is accompanied by the results of a nationwide survey of nearly 900 SAPS officers probing their familiarity with official rules their expectations of discipline within the SAPS and their willingness to report misconduct The book also examines the influence of the respondents race gender and supervisory status on police integrity Written in a clear and direct style this book will appeal to students and scholars of criminology policing sociology political science as well as to police administrators interested in expanding their knowledge about police integrity and enhancing it in their organizations

Policing and Boundaries in a Violent Society Guy Lamb, 2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars

and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization **Why We Kill** Karl Kemp,2024-03-02 Why do so many South Africans prefer taking the law into their own hands to relying on the police Why are those who do so often cheered or sympathised with Of the unprecedented 27 000 recorded murders in South Africa in 2022 at least 1 894 or 7 per cent were attributed to mob justice and vigilantism more than double the number from five years before In the first nine months of 2023 a further 1 472 mob justice deaths had already been registered Mob justice is nothing new but in recent years it has taken on an undeniably desperate furious edge From the breathtakingly violent Zandspruit massacre in May 2021 to the killings during the July unrest two months later to the march of Operation Dudula across the nation in 2022 vigilantism and the condoning of it has never before captured the zeitgeist of South Africa so sharply What has changed in the past few years and what does it augur for the future Following three recent cases of mob justice from the hellish metropolitan townships of Gauteng to the far flung bushveld of northern Limpopo and drawing on extensive research and interviews **Why We Kill** explores the roots realities and consequences of South Africa s current crisis of vigilantism **Third International Conference of the South Asian Society of Criminology and Victimology (SASCV), 28-29, January 2016, Goa, India** K. Jaishankar and Natti Ronel,2016-01-28

The Truth about Crime Jean Comaroff,John L. Comaroff,2016-12-05 This new book by the well known anthropologists Jean and John L Comaroff explores the global preoccupation with criminality in the early twenty first century a preoccupation strikingly disproportionate in most places and for most people to the risks posed by lawlessness to the conduct of everyday life Ours in an epoch in which law making law breaking and law enforcement are ever more critical registers in which societies construct contest and confront truths about themselves an epoch in which criminology broadly defined has displaced sociology as the privileged means by which the social world knows itself They also argue that as the result of a tectonic shift in the triangulation of capital the state and governance the meanings attached to crime and with it the nature of policing have undergone significant change also that there has been a palpable muddying of the lines between legality and illegality between corruption and conventional business even between crime and policing which exist nowadays in ever greater hyphenated complicity Thinking through Crime and Policing is therefore an excursion into the contemporary Order of Things or rather into the metaphysic of disorder that saturates the late modern world indeed has become its leitmotif It is also a meditation on sovereignty and citizenship on civility class and race on the law and its transgression on the political economy of representation **Pediatric Gastrointestinal and Liver Disease E-Book** Robert Wyllie,Jeffrey S. Hyams,Marsha Kay,2020-09-24 Now with full color illustrations throughout dozens of new review questions and state of the art coverage of this fast changing area Pediatric Gastrointestinal and Liver Disease 6th Edition remains the leading text in the field You ll find definitive guidance on diagnosis and treatment from experienced editors Drs Robert Wyllie Jeffrey S Hyams and Marsha Kay as well as globally renowned contributors who share their knowledge and expertise on complex issues Features an

enhanced art program with full color anatomical figures clinical photos and other illustrations throughout the text Includes a new chapter on fecal transplantation FCT covering donor and recipient screening preparation delivery follow up and safety considerations as well as investigative uses for FCT for disorders such as IBD IBS and D lactic acidosis Prepares you for certification and recertification with more than 400 board review style questions answers and rationales 30% new to this edition Includes detailed diagrams that accurately illustrate complex concepts and provide at a glance recognition of disease processes Contains numerous algorithms that provide quick and easy retrieval of diagnostic screening and treatment information Provides up to date information on indigenous flora and the gut microbiome and clinical correlations to treatment as well as advancements in liver transplantation including split liver transplantation SLT and living donor liver transplantation LDLT Details key procedures such as esophagogastroduodenoscopy and related techniques colonoscopy and polypectomy endoscopic retrograde cholangiopancreatography capsule endoscopy and small bowel enteroscopy gastrointestinal pathology and more

Securing Development Bernard Harborne, William Dorotinsky, Paul M. Bisca, 2017-03-01 Securing Development Public Finance and the Security Sector highlights the role of public finance in the delivery of security and criminal justice services This book offers a framework for analyzing public financial management financial transparency and oversight as well as expenditure policy issues that determine how to most appropriately manage security and justice services The interplay among security justice and public finance is still a relatively unexplored area of development Such a perspective can help security actors provide more professional effective and efficient security and justice services for citizens while also strengthening systems for accountability The book is the result of a project undertaken jointly by staff from the World Bank and the United Nations integrating the disciplines where each institution holds a comparative advantage and a core mandate The primary audience includes government officials bearing both security and financial responsibilities staff of international organizations working on public expenditure management and security sector issues academics and development practitioners working in an advisory capacity

Veto Rhetoric Samuel Kernell, 2023-04-26 While veto threats have a long history presidents have come to be more reliant on this bargaining tool in the last few decades Veto Rhetoric therefore serves as a nice companion to Sam Kernell's classic study Going Public which documented a similar trend with regards to presidential public appeals Kernell's current study will no doubt once again lead presidential scholars to rethink how they understand and conceptualizing presidential congressional relations Joel Sievert Texas Tech University In Veto Rhetoric Samuel Kernell offers a fresh more sanguine perspective to understanding national policy making in this era of divided government Contrary to the standard separation of powers representation of the veto which deals presidents a weak take it or leave it hand Kernell shows that veto rhetoric forces Congress to pay careful heed of the president's objections early in deliberations as legislation is forming Moreover the book introduces original statistical analysis to test the argument and extends previously reported analyses to include the Biden presidency Veto Rhetoric will

change the way students of Congress and the presidency assess their respective roles in making national policy **Africa Redemption. From Poverty Eradication to Wealth Creation** Ismail Badroen, Jonathan Makuwira, Albert T. Akume, Bethold Kaurivi, Claudios Nhokwara, 2022-08-03 Document from the year 2022 in the subject Politics Topic Development Politics grade A University of Namibia Rundu Campus language English abstract Research has shown that poverty is a man made phenomenon Historical interventions to redress its rampant manifestation especially in Sub Saharan Africa very much remain a serial flaw of misplacements in the hands of wrong architects and premised on the unholy misconception that aid will lead to both poverty alleviation and economic development of Africa Looking at the historical landscape of the poverty debate in Sub Saharan Africa one cannot help but notice the silence or scarce mention of entrepreneurship as the engine for growth in the alleviation of extreme poverty Therefore the Africa Redemption International Conference ARIC was conceived from the premise of a long and hard look at the serial and regrettable failures of the three salient beaten trek interventions of Structural Adjustment Programs SAPS Poverty Reduction Strategies PRS and the Millennium Development Goals MDGs Earlier interventions focused more on economic growth and paid little attention to social development With the advent of MDGs attention somewhat shifted towards resulting in poverty being reduced by more than half between 1990 and 2015 Critical success factors including infrastructure development domestic resource mobilization and institutional capacity building among others have largely been overlooked by most of these instruments The architecture of poverty reduction strategies has for far too long been the work of foreign agents with little if any of Africans themselves It is generally on this very basis that the ARIC Conference was convened with the objectives to a Bring academics practitioners and policy makers into one unique place to deliberate on issues that keep Africa behind any other parts of the world in emerging out of poverty b Allow policymakers to chart a way forward and share that with the broader body of light minded Africans who want to seriously take the country of scourges of poverty c Allow academics to analyze articulate and recommend what they perceive Africa needs to do in order to overcome its stagnation that has earned its Mantra of a Dark Continent d Invite development activist in the world and Africa in particular to share their isolated experiences with a broader community of stakeholders willing to amplify their good practice efforts to other parts of Africa where they are needed most e Showcase domestic innovators of all sorts *Women and Crime in Post-Transitional South African Crime Fiction* Sabine Binder, 2020-11-16 In this ground breaking study Sabine Binder analyses the complex ways in which female crime fictional victims detectives and perpetrators in South African crime fiction resonate with widespread and persistent real crimes against women in post apartheid South Africa Drawing on a wide range of crime novels written over the last decade Binder emphasises the genre s feminist potential and critically maps its political work at the intersection of gender and race Her study challenges the perception of crime fiction as a trivial genre and shows how in South Africa at least it provides a vibrant platform for social cultural and ethical debates exposing violence misogyny and racism and shedding light on the problematics of law and justice

for women faced with crime Understanding Violence Against Women in Africa Francis Onditi, Josephine Odera, 2021-08-22 This textbook provides students across Social Sciences Humanities Politics and International Studies with an in depth understanding of the issues policies and strategies for addressing the symptoms and root causes of violence against women VAW in sub Saharan Africa This text uses the United Nations Security Council s Resolution 1325 UNSCR 1325 on Women Peace and Security in Eastern and Southern Africa as a framework to present the causes and impacts of VAW and to trace the journey of sub Saharan African countries toward gender equality It also provides an overview of the policy and legislative frameworks that underpin the progress challenges and achievements of addressing VAW based on four key pillars prevention protection participation and relief and recovery Chapters provide a wealth of knowledge as the book draws on academic literature national regional and international legislations and data collected from field research and makes use of end of chapter discussion questions and quick study guides Students will come away equipped with the tools resources and knowledge necessary to address and fix VAW in sub Saharan Africa and beyond **Police Work and Identity** Andrew Faull, 2017-09-07 This is a book about the men and women who police contemporary South Africa Drawing on rich original ethnographical data it considers how officers make sense of their jobs and how they find meaning in their duties It demonstrates that the dynamics that lead to police abuses and scandals in transitional and neo liberalising regimes such as South Africa can be traced to the day to day experiences and ambitions of the average police officer It is about the stories they tell themselves about themselves and their social worlds and how these shape the order they produce through their work By focusing on police officers this book positions the individual in primacy over the organisation asking what policing looks like when motivated by the pursuit of ontological security in precarious contexts It acknowledges but downplays the importance of police culture in determining officers attitudes and behaviour and reminds readers that most officers lives are entangled in and shaped by a range of social political and cultural forces It suggests that a job in the South African Police Service SAPS is primarily just that a job Most officers join the organisation after other dreams have slipped beyond reach their presence in the Service being almost accidental But once employed they re write their self narratives and enact carefully choreographed performances to ease managerial and public pressure and to rationalize their coercive practices In an era where evidence and what works reigns supreme and where cop culture is often deemed a primary socializing force this book emphasises how officers personal histories ambitions and vulnerabilities remain central to how policing unfolds on the street *Pursuing Justice in Africa* Jessica Johnson, George Hamandishe Karekwaivanane, 2018-10-31 Pursuing Justice in Africa focuses on the many actors pursuing many visions of justice across the African continent their aspirations divergent practices and articulations of international and vernacular idioms of justice The essays selected by editors Jessica Johnson and George Hamandishe Karekwaivanane engage with topics at the cutting edge of contemporary scholarship across a wide range of disciplines These include activism land tenure international legal institutions and postconflict reconciliation Building

on recent work in sociolegal studies that foregrounds justice over and above concepts such as human rights and legal pluralism the contributors grapple with alternative approaches to the concept of justice and its relationships with law morality and rights While the chapters are grounded in local experiences they also attend to the ways in which national and international actors and processes influence for better or worse local experiences and understandings of justice The result is a timely and original addition to scholarship on a topic of major scholarly and pragmatic interest Contributors Felicitas Becker Jonathon L Earle Patrick Hoenig Stacey Hynd Fred Nyongesa Ikanda Ngeyi Ruth Kanyongolo Anna Macdonald Bernadette Malunga Alan Msosa Benson A Mulemi Holly Porter Duncan Scott Olaf Zenker *Destroying Democracy* Jane Duncan, Linda Gordon, Gunnett Kaaf, Dale T McKinley, Alf Gunvald Nilsen, Devan Pillay, Mandla J Radebe, Alfredo Saad-Filho, Ingar Solty, 2021-08-01 A history of the erosion of democracy across the globe Democracy is being destroyed This is a crisis that expresses itself in the rising authoritarianism visible in divisive and exclusionary politics populist political parties and movements increased distrust in fact based information and news and the withering accountability of state institutions Over the last four decades democracy has radically shifted to a market democracy in which all aspects of human non human and planetary life are commodified with corporations becoming more powerful than states and their citizens This is how neoliberal capitalism functions at a systemic level and if left unchecked is the greatest threat to democracy and a sustainable planet Volume six of the Democratic Marxism series focuses on how decades of neoliberal capitalism have eroded the global democratic project and how in the process authoritarian politics are gaining ground Scholars and activists from the political left focus on four country cases India Brazil South Africa and the United States of America in which the COVID 19 pandemic has fuelled and highlighted the pre existing crisis They interrogate issues of politics ecology state security media access to information and political parties and affirm the need to reclaim and re build an expansive and inclusive democracy *Destroying Democracy* is an invaluable resource for the general public activists scholars and students who are interested in understanding the threats to democracy and the rising tide of authoritarianism in the global south and the global north *Contradictions of Democracy* Nicholas Rush Smith, 2019-01-17 Despite being one of the world s most vibrant democracies police estimate between five and ten percent of the murders in South Africa result from vigilante violence This is puzzling given the country s celebrated transition to democracy and massive reform of the state s legal institutions Where most studies explain vigilantism as a response to state or civic failure in *Contradictions of Democracy* Nicholas Rush Smith illustrates that vigilantism is actually a response to the processes of democratic state formation In the context of densely networked neighborhoods vigilante citizens often interpret the technical success of legal institutions for instance the arrest and subsequent release of suspects on bail as failure and work to correct such perceived failures on their own Smith also shows that vigilantism provides a new lens through which to understand democratic state formation Among young men of color in some parts of South Africa fear of extra judicial police violence is common Amid such fear instead of the state

seeming protective it can appear as something akin to a massive vigilante organization An insightful look into the high rates of vigilantism in South Africa and the general challenges of democratic state building Contradictions of Democracy explores fundamental questions about political order the rule of law and democratic citizenship **Addressing Xenophobia in**

South Africa Bethuel Sibongiseni Ngcamu,Evangelos Mantzaris,2021-11-05 Focusing on a prominent episode of anti immigrant violence in the Durban area of the KwaZulu Natal province Addressing Xenophobia in South Africa identifies the hidden less addressed dimensions and catalysts of Xenophobia in South Africa Circle of Stars Dermot Hodson,2023-01-01 A compelling new history of the EU and the people who sought to shape and challenge it from Maastricht to today The European Union is the most ambitious and one of the most contentious international organizations ever created Decisions made in Brussels shape the lives of over 500 million Europeans and its laws and policies resonate around the world But how has the EU endured over three turbulent decades marred by crises at home and abroad In this major account Dermot Hodson traces the development of the EU from its establishment in 1993 through to Brexit Covid 19 and the invasion of Ukraine Hodson shows how the union has been held together not by faceless technocrats but national leaders who stood together in times of turmoil despite a fierce backlash from a new generation of right wing populists Circle of Stars offers a rich appraisal of Europe s troubled past and turbulent present focusing on the people who built the EU as we know it today

Faith-Based Organizations in Development Discourses and Practice Jens Koehrsen,Andreas Heuser,2019-11-28 Exploring faith based organizations FBOs in current developmental discourses and practice this book presents a selection of empirical in depth case studies of Christian FBOs and assesses the vital role credited to FBOs in current discourses on development Examining the engagement of FBOs with contemporary politics of development the contributions stress the agency of FBOs in diverse contexts of development policy both local and global It is emphasised that FBOs constitute boundary agents and developmental entrepreneurs they move between different discursive fields such as national and international development discourses theological discourses and their specific religious constituencies By combining influxes from these different contexts FBOs generate unique perspectives on development they express alternative views on development and stress particular approaches anchored in their theological social ethics This book should be of interest to those researching FBOs and their interaction with international organizations and to scholars working in the broader areas of religion and politics and politics and development

Saps Posts 2015 Introduction

In today's digital age, the availability of Saps Posts 2015 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Saps Posts 2015 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Saps Posts 2015 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Saps Posts 2015 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Saps Posts 2015 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Saps Posts 2015 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Saps Posts 2015 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Saps Posts 2015 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Saps Posts 2015 books and manuals for download and embark on your journey of knowledge?

FAQs About Saps Posts 2015 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
