Poteau, 2020-07-02 Globalization has triggered an increased need to extend linguistic and cultural awareness into action from our daily encounters to our professional interactions As our communities continuously grow into linguistically and culturally rich environments so too should our pedagogical and research approaches Specifically this volume provides an overview of pedagogies and research methodologies that reflect the urgent need to develop intercultural competence in diverse professions including but not limited to law medicine business foreign and second language instruction and communications The book re examines and highlights pedagogical and research approaches to intercultural competence development across disciplines paving the way to promote collaborative efforts and reassess the critical role of intercultural competence development in distinct fields **A First-Class Temperament** Geoffrey C. Ward, 2014-09-09 In this classic of American biography based upon thousands of original documents many never previously published the prize winning historian Geoffrey C Ward tells the dramatic story of Franklin Roosevelt s unlikely rise from cloistered youth to the brink of the presidency with a richness of detail and vivid sense of time place and personality usually found only in fiction In these pages FDR comes alive as a fond but absent father and an often unfeeling husband the story of Eleanor Roosevelt s struggle to build a life independent of him is chronicled in full as well as a charming but pampered patrician trying to find his way in the sweaty world of everyday politics and all too willing willing to abandon allies and jettison principle if he thinks it will help him move up the political ladder But somehow he also finds within himself the courage and resourcefulness to come back from a paralysis that would have crushed a less resilient man and then go on to meet and master the two gravest crises of his time

Rosé with My Fake Fiancé Liz Alden, 2023-04-25 It was supposed to be a fun weekend in Paris with my best friends Instead I ve acquired an outrageously flirty and much younger fake fianc I m forty two and recently dumped by my long term boyfriend I thought a happy life together was in my future and instead I m alone in the city of love Alone except for Luc the charming and hot French tour guide He refuses to cancel the trip and reminds me what it s like to feel sexy and desired He even rekindles my love for Paris by showing me a side of the city few people see And his accent oh la la Then we run into my snobby ex with his new fianc on his arm and a smug pitying look on his face When Luc pulls me close and tells a little lie their surprise is so satisfying Maybe a little too satisfying because I wind up in bed with my fake fianc The hottest night of my life certainly didn t feel fake The end of my weekend comes and Luc doesn t want to let me go If I couldn t make it work with someone I had so much in common with how can Luc and I bridge the distance Sex and The City meets Emily in Paris in this standalone romance introducing four power house women in their forties who find love in Europe If you like a fake
