Sarkologies Pourquoi Tant De Haines:

Les auteurs maudits et la malédiction littéraire Gianpaolo Furguele, 2023-03-15 Ce Cours étudie la persistance et l'évolution de la malédiction littéraire dans le champ culturel français des XIX^e et XX^e siècles. Au croisement de la littérature française, de la littérature comparée et de la sociologie, l'ouvrage révèle l'actualité et la fonction de ce mythe. Loin de s'inscrire dans la perspective d'une vision sacrée de la littérature, il montre comment la figure des auteurs maudits s'insère depuis toujours au sein d'une véritable stratégie discursive des fins de visibilité. Ce phénomène qui appartient à la vie littéraire a pu même dépasser ce domaine pour influencer et façonner d'autres disciplines comme la musique, le cinéma ou la bande dessinée. : 02-06-2020, L'ordre des choses Penser la postmodernité *Who's who in France*, 2016

Reviewing **Sarkologies Pourquoi Tant De Haines**: Unlocking the Spellbinding Force of Linguistics
