Penney, 2022-02-06 A piece of ancient Overseer technology has been found Anna Lenai must travel to a small town in Tennessee to recover the device before it gets to the wrong hands Meanwhile Jack heads to Leyria to contact a professor who has studied the Overseers hoping to keep the man alive long enough to get some answers What they're unaware of is that Wesley Pennfield has returned to Earth seeking revenge on the people who took everything from him *The Red Wolf's Mate* VikingMaiden77, After losing her family in a rogue attack Raina is left to put her life back together Finding a new pack with her wolf Lela she is hoping to finally settle down and find her mate Raina did not understand the significance of her red wolf Lela until she discovers just how significant a red wolf is to the entire werewolf community Faced with new abilities as a red wolf Raina must navigate how to manage her abilities while also facing ongoing threats of rogues who are trying to kidnap her When Raina finds her mate will she be able to finally escape the rogue threat and gain control of her abilities This is Book One of the Red Wolf's Guardian Series *Fur News and Outdoor World*, 1927 A. T. Russell, 2009-12 Chatran is a host of many values even with his personal flaws While his convictions are absolute Chatran freely gives of himself to those that are honorable and respectful to him and to themselves He returns as good as he gets but his returns are in full Of Chatran's greatest values is the protection of women of all types and the protection of puppies children and cubs And like any father or protector Chatran will allow no threats to those that he loves and those that love him Above all else Chatran lives for family friends and a good time with them as often as possible Even if he has to violently move something or someone out of the way to enjoy them That is primarily due to the fact that Chatran has had a life filled with loss He's been on his own for more than 15 years and has been alone in all of that time Because of the Beast within Chatran has had to maintain a solitary existence among people unlike himself and he's done okay in that life But it hurts him One day while at work an event takes place that changes Chatran's life and launches him into his natural element Chatran learns to live and become one with his natural elemental form and embraces life and himself fully He also learns something far greater Because of that knowledge he offers and ultimately gives himself to others that have accepted him But he has to earn their respect and trust very quickly before he is lost within himself and is released without direction With the trust of the others Chatran will have the responsibility of their protection The question then becomes can one of great strength partner with one of wrath and be

successful in navigating their way to their real home Or will they take the wrong road unknowingly and be damned while pursuing handfuls of shiny and pretty things The problem is that there is no help And the one leading the way isn't the one making the decisions
