SAP MM CONSUMPTION BASED MRP :

TECHNICAL REFERENCE AND LEARNING GUIDE AGRAWAL, P. K.,2016-03-11 Consumption based MRP is an important business process in almost every company In SAP you can plan material requirements based on consumption SAP provides important functionalities like determining net requirement procurement dates etc This book explains all the concepts underpinning SAP s MM Consumption based MRP Module It is a comprehensive technical manual which explains every single node of the User Menu and the Configuration The book is organized in chapters that are important business activities The author has taken care to balance details with overviews that explain linkages between concepts In this book like author s earlier books he explains every screen of SAP MM Consumption based MRP Divided into 16 chapters the book clearly explains both the SAP Menu and the Customizing Implementation Guide It also indicates the chapter number where these are covered thereby creating a direct link between the book and the SAP software The implementation of SAP MM Consumption Based MRP and documentation can also be guided by the structure of this book **SAP Basis**

Administration Giovanni Davila,2001 **Sap Hr Personnel Administration and Recruitment : Technical Reference and Learning Guide** Agrawal P. K.,2010-12-30 SAP is a great software but you need to fully understand its features in order to effectively exploit them for the benefit of customers Mr Agrawal s books on SAP HR have a unique approach A chapter focuses on a single business concept and discusses the user interface as well as its associated configuration Each screen and each field in a screen is explained Explanation includes meaning use case and in some cases guidelines Details are balanced by overviews explaining the concepts and their relationships **SAP HR TIME MANAGEMENT** P. K.

AGRAWAL,2010-08-17 This book explains all the concepts underpinning SAP s HR Time Management Module It is a comprehensive technical manual which explains every single node of the User Menu and the Configuration The book first gives an overview of a concept explaining what it is how it is used and how it relates to the other concepts It then explains its properties which are fields in a configuration node This book is designed to be used both as a reference manual and a learning guide As a learning guide it offers four views each for a different target audience It can be read from the Senior Management s perspective to gain a broad understanding of the subject and what SAP can do for them Business Process Owners can achieve a higher level of understanding by getting to know more of SAP concepts and how to perform different tasks in SAP Users can acquire a thorough understanding of different tasks and concepts underlying them Functional consultants and proficient users can read the book to gain a complete understanding of the system As a technical reference the book can be used to locate the relevant material through the Table of Contents Index SAP Menu and SAP Customizing Implementation Guide IMG The last two follow the Table of Contents If the reader is in SAP s User Menu or Configuration the chapter number for these nodes can be found in SAP Menu and IMG If a node is not covered in the book the reason for not doing so is mentioned The implementation of SAP HR Time Management and documentation can also be guided by the structure of this book A BETTER WORLD There is a lot we can do to make our world a better world just as we discover better
