

# SAP - End User Customization

This chapter explains how to modify the user parameters such as personal data to communication data, time zone, date and time field format, attributes for printing, etc.

## Maintain User Profile

Click "System" on the menu bar. Select "User Profile" → "Own Data" as specified in the following screenshot.

The following screen appears with options to change the following properties –

- Date format
- Decimal Notation
- Logon Language – Use this option if we want to open SAP in a different language other than English
- Time zone
- Spool control – This option will setup the default printer on which your documents will be printed until and unless the printer is changed at runtime or programmatically.
