SEO A Layman's Guide Robb Wallace, 2021-09-17 The process for SEO is complicated but it doesn't have to be with this SEO book. Learn everything you need to know about SEO search engine optimisation with this book and get your website noticed. A website is just a website. That is why you need SEO. A website is only magical when it starts ranking on the first page of Google for the keywords, key terms, questions and phrases you believe your customers will type or speak into Google. Your website can be your best employee or your worst. The goal of SEO is to rank higher, increase organic traffic, profits and sales. This is done by building backlinks, on-page SEO, technical SEO, refining the user experience, brand and more. So if you want a solid, no-nonsense, practical overview of SEO, this is the book for you. The book includes explanations, strategies, citations, lists, web resources and more. Let's get to work, buy your copy, grab your laptop, it's time to leave the competition behind. Learn how to optimise your website. Learn how to research keywords, build traffic and increase visibility. Backlink strategies. Content strategies. Technical SEO overview. Increase speed. New search. Voice. Image. Featured SERPs. GMB and local search. Citation profile list included. Software, best websites and chrome extensions list included. A simple website action plan included.

A Layman's Guide to Revelation J. J. Ramsay, 2019-12-09 The Layman's Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology. The book guides its readers into an in-depth study of the Revelation using the critical analysis of commentators of the past to help the reader better understand the present times and God's plan for the future. The guide defines key words in the Greek translation and explains the symbolic use of numbers, colors and the foreshadowing of crucial aspects of Israel's history which will aid in deciphering the visions given to the apostle. The guide further explains the types and use of the Old Testament prophets. By understanding the Old Testament Scriptures, the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation. The guide also sheds light on the use of foreshadowing of past empires used in the Old Testament that will further aid in the interpretation of the future and the end times that we are assuredly apart. The guide takes the reader verse by verse, chapter by chapter through the commentators' interpretive views so they can study at their own pace and arrive at their own conclusions. The book also includes a commentary by the author that offers his own insights into Revelation that will surely be of use to those who look to God's word to better understand the times we live.
