## **Sasha Mixed Drinks 1:**

Sasha (Mixed Drinks #1) Rae Matthews, 2014-09-03 When it comes to relationships I have really bad luck Each time I meet a guy I cross my fingers and hope he is at least halfway normal I m so tired of dealing with crybabies and freak shows that I could just scream At this point I m so close to just joining a convent taking the vow of chastity and calling it quits with men entirely Well I probably don t need to go to that extreme I mean who am I kidding There s no way I could be a nun But becoming an old crotchety lady with 20 cats lurking around Now THAT is a definite possibility That is until I see him my brown eyed stallion man swooping in to save me from an unforeseen wrinkly old balls attack and then he is gone Well not gone completely because I can t stop fantasizing about him I fantasize about him so much that when I finally do see him again I make a complete and total ass of myself Several times in fact How I do not drop dead of embarrassment right then and there is beyond me So remember I said I have really bad luck Well sit back grab a glass of wine or your favorite mixed drink and let me tell you how it all started and how it all ends
