Sassoon Abc Color Manual:

Bauhaus Effects in Art, Architecture, and Design Kathleen James-Chakraborty, Sabine T. Kriebel, 2022-04-21

Bringing together an international team of scholars this book offers new perspectives on the impact that the Bauhaus and its teaching had on a wide range of artistic practices Three of the fields in which the Bauhaus generated immediately transformative effects were housing typography and photography Contributors go further to chart the surprising relation of the school to contemporary developments in hairstyling and shop window display in unprecedented detail New scholarship has detailed the degree to which Bauhaus faculty and students set off around the world but it has seldom paid attention to its impact in communist East Germany or in countries like Ireland where no Bauhausler settled This wide ranging collection makes clear that a century after its founding many new stories remain to be told about the influence of the twentieth century's most innovative arts institution The book will be of interest to scholars working in art history design history photography and architectural history Guide to Reprints Albert James Diaz, 1975 **Subject Guide to Books in Print** , 1993
