Signs, Solidarities, and Sociology Blasco José Sobrinho, 2001 Signs Solidarities Sociology addresses the formation and fragmentation of identity in today's postmodern world Informed by the conceptual convergence in the theories of Durkheim Peirce Mead and Lacan this book surveys the range of twentieth century sociology to deconstruct those favored nostrums of subjective meaning personal power and autonomous selfhood that comprise its semantics of agency Revealed beneath this semantic screen is the triad of pragmatic codes premodern affiliation modern calibration and postmodern globalization that govern the social construction of the self While the ill comprehended confluence of these three signification codes in the present world situation can indeed fragment personal identity their formal structural linkages as shown in this book may inform a truly postmodern globally applicable science of culture

A Critical Examination of the Recent Evolution of B2B Sales Cohn, Joel G., 2024-02-27 The seismic shifts in B2B selling brought about by the recent global pandemic have left scholars grappling with the fundamental question of permanence As the traditional face to face dynamics of B2B sales stand challenged academic minds seek answers Are these changes enduring or will we revert to the familiar norms of in person interactions A Critical Examination of the Recent Evolution of B2B Sales is a groundbreaking exploration designed for academic scholars seeking clarity in these uncertain times In the pursuit for understanding scholars encounter a myriad of questions What truly transpired in sales activities during the pandemic Does the surge in virtual selling signify a lasting transformation or is it merely a temporary adaptation Critical thinking becomes paramount necessitating a deep dive into published ideas to discern the strength of conclusions drawn The academic community grapples with the challenge of scrutinizing the landscape to determine if the changes are indeed permanent and if so how B2B sales forces can effectively adapt

**The Legacy of John Kenneth Galbraith** STEVEN PRESSMAN, 2013-10-18 When John Kenneth Galbraith passed away on April 29 2006 the economics profession lost one of its true giants And this is not just because Galbraith was an imposing figure at 6 feet 9 inches tall Throughout his life Galbraith

advised Presidents made important professional contributions to the discipline of economics and also tried to explain economic ideas to the general public This volume pays tribute to Galbraith's life and career by explaining some of his major contributions to the canon of economic ideas The papers describe the series of unique contributions that Galbraith made in many different areas He was a founder of the Post Keynesian view of money and a proponent of the Post Keynesian view that price controls were necessary to deal with the problem of inflation in a modern economy where large firms already control prices and prices are not determined by the market He promulgated the view that firms manipulate individual preferences and tastes through advertising and other means of persuasion and he drew out the economic implications of this view He was a student of financial frauds and euphoria and a forerunner of the Post Keynesian Minskian view of finance and how financial markets really work This book was published as a special issue of the Review of Political Economy

*Globalism, Nationalism, Tribalism* Paul James, 2006-04-20 Paul James has written a magnificent account of the world's current condition one that highlights the complexities and contradictions with which people, communities and nations must contend and that does so in a compelling and creative style Stressing the interaction between global and local forces his writing style is lively and compelling as well as peppered with a wide range of citations from *Woman's Day* to the *Cambodian Daily* on the same page James N Rosenau University Professor of International Affairs The George Washington University *Globalism, Nationalism, Tribalism* establishes a new basis for understanding the changing nature of polity and community and offers unprecedented attention to these dominant trends Paul James charts the contradictions and tensions we all encounter in an era of increasing globalization from genocide and terrorism to television and finance capital Globalism is treated as an uneven and layered process of spatial expansion not simply one of disorder, fragmentation or rupture Nor is it simply a force of homogenization Nationalism is taken seriously as a continuing and important formation of contemporary identity and politics James rewrites the modernist theories of the nation state without devolving into the postmodernist assertion that all is invention or surface gloss Tribalism is given the attention it has long warranted and is analyzed as a continuing and changing formation of social life from the villages of Rwanda to the cities of the West Theoretically adept and powerfully argued this is the first comprehensive analysis that brings these crucial themes of contemporary life together

**Social Studies for the Twenty-First Century** Jack Zevin, 2013-08-21 *Social Studies for the Twenty-First Century* Third Edition weaves theory, curriculum, methods and assessment into a comprehensive model to guide middle and secondary teachers in setting objectives, planning lessons, units and courses, choosing classroom strategies and constructing tests for some of the field's most popular and enduring programs It offers practical, interesting, exciting ways to teach social studies and a multitude of instructional and professional resources for teachers The text includes separate chapters on teaching each of the major areas of the social studies curriculum Its reflective and integrative framework emphasizes building imagination, insight and critical thinking into everyday classrooms encourages problem solving attitudes and behavior and provokes

analysis reflection and debate Throughout the text all aspects of curriculum and instruction are viewed from a tripartite perspective that divides social studies instruction into didactic factual reflective analytical and affective judgmental components These three components are seen as supporting one another building the groundwork for taking stands on issues past and present At the center is the author's belief that the heart and soul of social studies instruction perhaps all teaching lies in stimulating the production of ideas looking at knowledge from others viewpoints and formulating for oneself a set of goals values and beliefs that can be explained and justified in open discussion New in the Third Edition Summaries of recent research particularly in history education that have been published since the last edition Increased attention to social studies standards as well as those for civics economics and history An enriched view of teaching history and social studies with a wide array of sources ranging from material objects through primary sources on to art music and literature Tightening of the text to make it shorter and more pointed including a few provocative new ideas More and better organized ideas for classroom group and individual activities and cooperative learning Expanded appendices on instructional resources include the rapidly growing use of websites New visuals that are better integrated into the text and which teachers can use in their classrooms as lessons in visual literacy and Continued efforts to inject a bit of humor and self criticism into a field of education most students view as a sizeable trunk of dead and deadly facts Social Studies for the Twenty First Century Third Edition is a primary text for secondary and middle social studies methods courses
