century Chang an ninth and tenth century Baghdad and tenth through twelfth century Kyoto fourteenth and fifteenth century Iceland and Florence sixteenth century Tenochtitlan Istanbul and Geneva eighteenth century Edo Paris and Philadelphia nineteenth century Cairo London and Manila late nineteenth and early twentieth century Lagos Bombay Buenos Aires and Berlin and twentieth century Sydney Toronto Shanghai and Rio de Janeiro Broad in range this volume sheds light on continuities and changes in world sexualities across time and space

The Case for U.S. Nuclear Weapons in the 21st Century Brad Roberts, 2023-05-25 An excellent contribution to the debate on the future role of nuclear weapons and nuclear deterrence in American foreign policy Contemporary Security Policy This book is a counter to the conventional wisdom that the United States can and should do more to reduce both the role of nuclear weapons in its security strategies and the number of weapons in its arsenal The case against nuclear weapons has been made on many grounds including historical political and moral But Brad Roberts argues it has not so far been informed by the experience of the United States since the Cold War in trying to adapt deterrence to a changed world and to create the conditions that would allow further significant changes to U S nuclear policy and posture Drawing on the author s experience in the making and implementation of U S policy in the Obama administration this book examines that real world experience and finds important lessons for the disarmament enterprise Central conclusions of the work are that other nuclear armed states are not prepared to join the United States in making reductions and that unilateral steps by the United States to disarm further would be harmful to its interests and those of its allies The book ultimately argues in favor of patience and persistence in the implementation of a balanced approach to nuclear strategy that encompasses political efforts to reduce nuclear dangers along with military efforts to deter them Well researched and carefully argued Foreign Affairs *Revelation: An Annotated Translation* ,
