History is a comprehensive volume of essays selected to enrich world history teaching and scholarship in this rapidly
expanding field The forty four articles in this book take stock of the history evolving literature and current trajectories of new
world history These essays together with the editors introductions to thematic chapters encourage educators and students to
reflect critically on the development of the field and to explore concepts approaches and insights valuable to their own work
The selections are organized in ten chapters that survey the history of the movement the seminal ideas of founding thinkers
and today s practitioners changing concepts of world historical space and time comparative methods environmental history
the big history movement globalization debates over the meaning of Western power and ongoing questions about the
intellectual premises and assumptions that have shaped the field *World History* Eric Vanhaute,2013-07-24 World History
An Introduction provides readers with the knowledge and tools necessary to understand the global historical perspective and
how it can be used to shed light on both our past and our present A concise and original guide to the concepts methods
debates and contents of world history it combines a thematic approach with a clear and ambitious focus Each chapter traces
connections with the past and the present to explore major questions in world history How did humans evolve from an
endangered species to the most successful of them all How has nature shaped human history How did agricultural societies
push human history in a new direction How has humankind organized itself in ever more complex administrative systems
How have we developed new religious and cultural patterns How have the paths of The West and The Rest diverged over the
last five centuries How at the same time has the world become more interconnected and globalized How is this world
characterized by growing gaps in wealth poverty and inequality Sharp and accessible Eric Vanhaute s introduction to this
exciting field demonstrates that world history is more of a perspective than a single all encompassing narrative an instructive
new way of seeing thinking and doing It is an essential resource for students of history in a global context History Gr11
