[The Dynamics Of Power In Music](#) Kehinde Ezekiel,2025-02-25 The inability to grasp the multifaceted nature of power can be overwhelming When we lack control over its concept our thinking becomes limited and we miss out on understanding its various manifestations Throughout history powerful individuals have often imposed rigid inflexible definitions of power stifling human freedom and hindering innovation This exposition challenges that notion proposing that deriving new power doesn t require a rigid one size fits all approach

Instead it can be creatively merged with other concepts such as music and business to produce novel improvements and unlock new potentials
