Mucklow,1876 *The Privilege of Worship* Stewart Holloway,2016-09-19 There is no such thing as a worship war We arent fighting over worship were fighting over preferences For decades centuries really churches have been fighting preference wars over worship methodologies Whether it was singing psalms or hymns using screens or hymnals playing organs or guitars or using a choir or praise team if there has been a method to fight over weve gone to battle Unfortunately the only things weve gained from our warring are church splits declining rolls and frustrated members Is that what we most desire from our worship What would happen in our churches if we went to war for worship or in worship instead of going to war over worship What if we got so serious about worship that we put our preferences aside and focused on engaging God Worship is not about songs and sermons anyway Worship is about a privileged conversation with God Discover how you and your church can get serious about worship as you delve into the heart of worship Study who is involved in worship what you can expect from worship and how you can get the most out of worship If we want to see God do great things in our churches and bring awakening to our nation we must get serious about worship Lets stop fighting over methodologies and return to the core of worship Take some time to explore the privilege of worship **People I Met at the Gates of Heaven** Don Piper,Cecil Murphey,2018-11-06 Picking up where bestselling 90 Minutes in Heaven left off Don Piper reveals for the first time the sacred intimate details of the people who met him at the gates of heaven and the profound impact they had on his faith on earth In this incredible follow up to his eight million copy bestseller 90 Minutes in Heaven Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven and offers powerful insights about the way for us to live our lives on earth Don Piper s unforgettable account of a horrific car accident that took his life and what happened next has riveted more than eight million readers Something happened as he shared his story in the years since Not only did Piper realize he had more to tell he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates I have never left a speaking engagement without people wanting to know more he said In The People I Met in Heaven Piper takes readers deeper into his experience which includes never

before told encounters with the people who met him when he arrived in heaven those who helped him on his journey that led to the entrance to God s heavenly home Even more Piper recounts the majesty of heaven and the glorious reunion that awaits us there He offers practical insights inspiration and a challenging call that while we re on earth we need to obey Jesus command to go and make disciples of all nations   Receiving This Life Kara K.
