World Enough Time On Creativity And Slowing Down:

World Enough & Time Christian McEwen, 2011 World Enough rather it is fed and nourished by every sight and smell and sound that we encounter from the movement of the clouds to the shrill of the birds outside our morning window World Enough Time extols the benefits of observation conversation walking pausing and dreaming within a literary and artistic framework spanning centuries Among the lessons learned from the great minds are It is in our idleness in our dreams that the submerged truth sometimes comes to the top Virginia Woolf Beware the barrenness of a busy life Socrates Seek society Keep your friendships in repair Answer your letters Meet good will half way Ralph Waldo Emerson We shared our ideas like sweaters with easy exchange and lack of ownership Ann Patchett on her friendship with Lucy Greeley Creative work needs solitude It needs concentration without interruptions It needs the whole sky to fly in and no eye watching till it comes to that certainty which it aspires to Mary Oliver Art has something to do with the achievement of stillness in the midst of chaos Saul Bellow World Enough Time is the result of thirty years of thinking teaching and writing in the midst of a busy world Turning to stories of the writers and artists she has studied all these years McEwen finds that each anecdote is its own parable of truth

Mission as God's Spiral of Renewal Ross, Kenneth R., 2019-02-06 In this remarkable volume covering diverse subjects in a span of three decades Kenneth R Ross articulates his views on the meaning and practice of Christian mission and challenges the binary view of mission that prevailed before the 1950s He further reflects on Scotland's experiences in the world wide Christian mission and demonstrates the centrality of Africa in any discourse on Christianity This volume is invaluable in its argument for a rethinking of Christian mission especially in relation to the West which is now a new frontier for Christian mission The book will be immensely beneficial to students of missiology and general readers who are interested in the subject of Christian Mission

The Ways of the Leader Bill Mowry, 2023-10 Leaders Are you feeling overwhelmed in this post pandemic world The one size fits all approaches no longer work You need creative strategies based on godly wisdom that bring people together and break new ground In *The Ways of the Leader* Bill Mowry unpacks four competencies for everyday leaders in churches ministries communities and businesses To generate wisdom as a leader you must become a lifelong learner who views your life and leadership as God's classroom for discovery collaborator who engages people to explore create and implement new approaches cultural detective who examines assumptions and values where you lead and live and ministry innovator who discovers solutions that are crafted to the specific needs of your community Rise up against the chaos of today as you nurture the wisdom to choose what is good what brings life and nourishes people and right what is just and fair and impact those right where you are with practical solutions

What in the World Is Going On? Penny Gill, 2015-01-19 Do you worry about our planet with its environmental crises global warming widespread violence and global poverty Do you feel powerless to change your life and impact your world *What in the World Is Going On* reframes these crises as an invitation to open our minds and hearts to a new awareness of our fundamental interdependence with all beings With

breathhtaking optimism it offers courage and hope to all who hold the world in their hearts and grieve Crises bring opportunities We are poised to vastly expand our consciousness allowing us to address our deep fears and create communities which embrace and serve all of us The rich conversation between Manjushri the Tibetan teacher and the student probes the roots of our fears and challenges our common assumptions about the roles of science and markets in our world It rejects the inflated claims of our ego selves and the stifling confines of materialism The Teacher assures us everything can be changed We can escape our isolation celebrate our interdependence with all beings and heal our communities The worldwide web allows us to connect with like minded people around the world This epochal shift in energy and consciousness is well underway The Teacher encourages all of us to trust our emerging visions dissolve the fears shrouding our best selves and allow our natural compassion to flow out into the world *The Long Take* Lutz

Koepnick,2017-12-15 In *The Long Take* Lutz Koepnick posits extended shot durations as a powerful medium for exploring different modes of perception and attention in our fast paced world of mediated stimulations Grounding his inquiry in the long takes of international filmmakers such as B la Tarr Tsai Ming liang Abbas Kiarostami Apichatpong Weerasethakul and Michael Haneke Koepnick reveals how their films evoke wondrous experiences of surprise disruption enchantment and reorientation He proceeds to show how the long take has come to thrive in diverse artistic practices across different media platforms from the work of photographer Hiroshi Sugimoto to the screen based installations of Sophie Calle and Tacita Dean from experimental work by Francis Al s and Janet Cardiff to durational images in contemporary video games Deeply informed by film and media theory yet written in a fluid and often poetic style *The Long Take* goes far beyond recent writing about slow cinema In Koepnick s account the long take serves as a critical hallmark of international art cinema in the twenty first century It invites viewers to probe the aesthetics of moving images and to recalibrate their sense of time Long takes unlock windows toward the new and unexpected amid the ever mounting pressures of 24 7 self management *Poem Central*

Shirley McPhillips,2023-10-10 In everything we have to understand poetry can help Tony Hoagland Harper s April 2013 In *Poem Central* Word Journeys with Readers and Writers Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms She introduces us to professional poets teachers and students people of different ages and walks of life who are actively engaged in reading and making poems Their stories and their work show us the power of poems to illuminate the ordinary to nurture inspire and stand alongside us for the journey *Poem Central* is divided into three main parts weaving poetry into our lives and our classrooms reading poems and writing poems McPhillipshas structured the book in short sections that are easy to read and dip into Each section has a specific focus provides background knowledge shows poets at work highlights information on crafting defines poetic terms features finished work includes classroom examples and lists additional resources In *Poem Central* a place where people and poems meet teachers and students will discover how to find their way into a poem have conversations around poems and learn fresh

The author of Write to Restore shows survivors of sexual abuse how to heal through journaling and personal writing Writing Ourselves Whole is a collection of essays and creative writing encouragements for sexual trauma survivors who want to risk writing a different story Each short chapter offers encouragement experience and exercises When you can find language for the stories that are locked inside you can change your life Talk therapy can only go so far for the millions of Americans struggling in the aftermath of sexual abuse and sexual assault Sexual assault survivors can heal themselves Sexual trauma survivor communities and their allies have the capacity to hold and hear one another s stories we do not have to relegate ourselves solely to the individual isolation of the therapist s office What you ll learn inside Writing Ourselves Whole How to reconnect with your creative instinct through freewriting How freewriting can help you reclaim the parts of yourself and your history How restorying the old myths about sexual trauma survivors can set you free If you have read books such as Julia Cameron s The Artist s Way Natalie Goldberg s Writing Down the Bones or Louise DeSalvo s Writing as a Way of Healing you will want to read Writing Ourselves Whole Praise for Writing Ourselves Whole A raw powerful necessary wise and practiced guidebook to the revolutionary practice of finding the words language and voice to transform suffering Eve Ensler author of The Vagina Monologues Rich intelligent passionate intimate honest and encouraging This book is a treasure trove Ellen Bass author of The Courage to Heal An Oasis in Time Marilyn Paul,2017-08-22 There is a surprising way out of the frenzy that always being behind feeling and your endless to do list Now more than ever people are seeking a reprieve from the constant pressure to achieve produce and consume While many turn to sporadic bouts of mindfulness and meditation organizational change specialist Marilyn Paul offers a complementary solution that is as radical as it is ancient In her new book An Oasis in Time Paul focuses on the profound benefits of taking a modern day Sabbath each week for deep rest and nourishing renewal The energy perspective creativity sense of well being and yes increased productivity that ensue are lifesaving Drawing on Sabbath tradition contemporary research and interviews with scores of busy people Paul shows that it is possible to introduce these practices regardless of your religious beliefs Starting with just an hour or two you can carve out the time from your packed schedule design your weekly oasis experience and most importantly change your mind set so you can enjoy the pleasure of regularly slowing down and savoring life every week From surrounding yourself with nature to practicing rituals for beginning and ending oasis time to implementing strategies for connecting with friends and family self and source you will discover practical ways to step off the treadmill and into timeless refreshment on your way to a calmer richer more fulfilling life On Slowness Lutz Koepnick,2014-10-07 Speed is an obvious facet of contemporary society whereas slowness has often been dismissed as conservative and antimodern Challenging a long tradition of thought Lutz Koepnick instead proposes to understand slowness as a strategy of the contemporary a decidedly modern practice that gazes firmly at and into

the present's velocity As he engages with late twentieth and early twenty first century art photography video film and literature Koepnick explores slowness as a critical medium to intensify our temporal and spatial experiences Slowness helps us register the multiple layers of time history and motion that constitute our present It offers a timely and untimely mode of aesthetic perception and representation that emphasizes the openness of the future and undermines any conception of the present as a mere replay of the past Discussing the photography and art of Janet Cardiff Olafur Eliasson Hiroshi Sugimoto and Michael Wesely the films of Peter Weir and Tom Tykwer the video installations of Douglas Gordon Willie Doherty and Bill Viola and the fiction of Don DeLillo Koepnick shows how slowness can carve out spaces within processes of acceleration that allow us to reflect on alternate temporalities and durations
