

About This Study Guide:

In May 2012, the Texas Education Agency released Performance Level Descriptors that outlined what students at each EOC Performance Level could do. This study guide provides background information to help you prepare to meet these levels. It is your goal to achieve a Level II (Satisfactory) or Level III (Advanced) Performance.

Access the Performance Level Descriptors at <http://www.tea.state.tx.us/studentassessment/taar/socstudies/>

About the EOC Test:

There are 5 categories on the World History test. The chart below shows how many questions you can expect for each category.

Category	Number of Questions
History 8000 BC to AD 1750	18
History 1750 to the Present	20
Geography and Culture	10
Government and Citizenship	10
Economics, Science, Technology, and Society	10

The EOC will also assess Social Studies Skills. You'll need to be able to

- Interpret maps, graphs, and charts to show the relationship between geography and history.
- Explain and use primary and secondary source documents, considering the frame of reference, historical context, and point of view.
- Analyze information by sequencing, categorizing, identifying cause-and-effect relationships, comparing, contrasting, finding the main idea, summarizing, making generalizations and predictions, drawing inferences and conclusions, and developing connections between historical events over time.
- Know and use social studies vocabulary.

How to Answer a Multiple Choice Question:

- Examine the question. Read the entire question. Study any pictures, charts, passages, or maps.
- Recall what you know about the topic. Feel free to jot notes on your test.
- Answer the question. Check all of the answer choices and eliminate any choices that are obviously wrong.

General Study Tips:

- Plan ahead. You don't want to try to cram everything in the day or the week before the exam.
- Pick the right time of day to study. Try not to wait until late at night when you are too tired to focus.
- Find a study partner or group.
- Read, reread, and write, and rewrite your notes!
