**Five Foundations of Human Development** Errol A. Gibbs,Philip A. Grey,2006-10-01 Five Foundations of Human Development FFHD Is our Materially Driven Life a Threat to the Spiritual Purpose of our Existence The book is a philosophical religious and practical discourse on Five Foundations of Human Development It offers compelling philosophical analytical and empirical arguments for a better world which is inherent in the worship of God service to humanity obedience to governing authorities and management of God s creation The authors examine problems that we encounter daily and they postulate solutions from Spiritual moral social intellectual and physical perspectives They essentially explore some of our past and present approaches to solutions to human problems They propose new revolutionary approaches to human development that call the reader s attention to a new enlightenment new hope and new optimism informed by a new Body of knowledge The authors strive to explain the Christian message of God as delivered and taught by Jesus Christ however it is not a work that is exclusively for Christians Their discourse recognizes the comparable message and desire for the unity of humanity by other world religions They present their discourse not as experts or giving expert advice but simply as individuals with a desire to

add another dimension of thought and enquiry to the vast storehouse of human knowledge The primary purpose of their discourse is to demonstrate the positive benefits to humanity when Biblical religious perspectives underpin every human endeavor These endeavors include but are not limited to family relations national and international relations engineering science and technology economics history education and health These endeavors dictate human progress Gibbs and Grey contend that humanity can realize the greater ideals of leadership and authority in the world through the application of the teachings of Jesus Christ and the great prophets The authors appeal to leaders of the 21st century educational political scientific and business to seek the knowledge wisdom and understanding of God in using our vast global natural wealth science technology and human capital to educe relevant and applicable strategies for the betterment of all humanity Genre Christianity Religion Inspirational Religion Enlightenment Philosophy General     **History of World Societies Study Guide, Volume 1, Fourth Edition** McKay, Hilary,1996     **Holt World History Outline Maps: Human Legacy** Holt Rinehart & Winston,2008-01-01     Architectures of Economic Subjectivity Sonia Marie Scott,2013 The history of European economic thought has long been written by those seeking to prove or disprove the truth value of the theories they describe This work takes a different approach It explores the philosophical groundwork of the theoretical structure within which economic subjects are presented Demonstrating how the subjects of economic texts tend to be defined in and through their relationship to knowledge this study addresses the epistemological constitution of subjectivity in economic thought Publisher s website     *Daily test practice transparencies* Susan E. **Freud and the Legacy of Moses** Richard J. Bernstein,1998-10-08 Freud s last book *Moses and Monotheism* was published in 1939 during one of the darkest periods in Jewish history This difficult book has frequently been vilified and dismissed because Freud claims that Moses was not a Hebrew but an Egyptian and that the Jews murdered Moses in the wilderness Richard Bernstein argues that a close reading of *Moses and Monotheism* reveals an underlying powerful coherence in which Freud seeks to specify the distinctive character and contribution of the Jewish people It is this character that has enabled the Jewish people to survive despite persecution and virulent anti Semitism and Freud proudly identifies himself with it In his analysis of Freud s often misunderstood last work Bernstein goes on to shows how Freud expands and deepens our understanding of a religious tradition by revealing its unconscious dynamics
