Cusack,2007-11-14 Synopsis High School Memoirs A Journey in Surrealism is a tear jerking hilarious ride for a less than ordinary High School student who battles bullies and librarians to become King of the Classroom Set in a small Catholic High School on the north side of Chicago author Sean Cusack takes us on a surrealistic journey through four fun filled years of triumph and tragedy in this unique epic The journey begins with Sean Cusack entering St Bernadin High School in August of 1995 as a very young and innocent Freshman student He focuses on several life changing experiences in his infant days of High School that change him forever Innocence Lost traces the steps Sean Cusack took that ultimately lead him on a path toward frequent battles with students and the school faculty and Administration As a Sophomore The Ride most certainly takes us on a ride through fights vandalism and verbal debacles that continued to steer the vengeful ship that Sean Cusack

had been building since a Freshman He now had become the ships Captain as it set sail The Ride takes us through many strange and mysterious encounters that add more of a surrealist element to this budding melodrama and comedic satire Sean Cusacks roses bud Junior Year in Forever Remembered when he becomes a charismatic hero and leader of a rebellious group of students that pillage and plunder the school and faculty in wild and zany antics Forever Remembered embodies the humorous and more imaginative side of Sean Cusack as the journey through High School becomes more surreal Senior Year wraps up the trials and tribulations that Sean Cusack had endured thus far in his High School experience culminating into one person after years of battling the Defunct Administration He is molded by evil as the rebellious youth becomes totally hellbent on crippling the school In the end he loses friends respect from teachers but most of all he loses faith in his cause yet ends his High School experience with a fantastical and triumphant bow Sean Cusack proves that not all High School stories are the same in this turbulent and chaotic autobiography High School Memoirs A Journey in Surrealism chronicles a strange and unique history that is truly a step above the rest

Echoes of Fairborn High R. Joseph Lessard,2010-11-29 The high school on the north side of Birchdale has been on an emotional roller coaster experience as fall was transitioning into winter Just as the students were basking in the glory of their first state championship in football they had to bear the devastating death of one of their most popular classmates The passage of months has also brought about significant changes in the individual family and social lives of the young people especially in the boy girl relationships Ted

and Natalie the shy couple whose security was their unswerving devotion to each other is experiencing new strains as the beauty of Natalie's emerging physical maturity has catapulted her into the limelight of the most desired girls in the school. Jeff has been getting along quite comfortably with Gina the second girlfriend of his teen years but just when he thought that his first girlfriend Jill had faded out of his life he unexpectedly encounters her again. His certain world is profoundly shaken as he realizes that the old feelings haven't really gone away for this girl who he once loved so crazily that he was certain he couldn't ever love anyone else. Yet returning to her presents as impossible since she has rejected him for three other guys and is pregnant by the last one, his younger brother. As conflict rages within his family over what to do about Jill, Jeff tries to focus on his studies and after school job only to get kidnapped by the school hoodlums and dragged into what is for him the scariest place on earth, the now closed old Century Inn. If he gets out of there alive he may still have to prove that he was not the perpetrator in the breaking and entering of the building. A few secrets of the ancient hotel have been revealed but the teenage boys who worked there and the young thugs that break into it find yet more puzzling mysteries to ponder, not the least of which is whether the building is haunted.
