Mild Ground Beef Jerky Recipes Brian Gary Forbes, 2021-03 This is the fifth book in my Jerky Maker Series where you learn how to take basic hamburger meat and turn it into the best jerky you have ever tasted in your life What is special about this book versus the others is that these recipes are very low to no heat recipes that let you enjoy the jerky without having to deal with it being spicy There are a lot of people out there that love jerky but really don't like anything spicy or spicy foods don't like them sometimes No matter your reason for avoiding hot spices this book is filled with recipe after recipe designed to give you the beef jerky flavor but without the heat The recipes are all ground beef based too which means you can make some of the best tasting jerky in your life with ground up meat Yes you can pick up a couple pounds of ground chuck and in a few hours have a huge bag of jerky that tastes better than anything you could ever buy at a store Not only that it will be easy to chew inexpensive and nobody will ever be able to tell you made it from ground up meat In fact most people won't believe you when you tell them These recipes are all a lot of fun and they create jerky with a wide range of flavors Feel free to skip around and read the recipes to see what you like before you start Once you find a few recipes you like you can get started making some amazing jerky that you might even be surprised you could create with just a simple dehydrator and a jerky gun It's actually really easy to make jerky at home and it only takes about 30 minutes of prep time After that the dehydrator does all of the work and you just wait for your delicious jerky to come out a few hours later Couldn't be easier

Spicy Ground Beef Jerky Recipes Brian Gary Forbes, 2021-03-17 This is the sixth book in my Jerky Maker Series where you learn how to take basic hamburger meat and turn it into the best jerky you have ever tasted in your life What is special about this book versus the others is that these recipes are extra spicy and great for people that love heat One of my favorite kind of recipes is a high heat jerky with nice flavor and a lot of spicy goodness With all the different kinds of peppers in the world you have a lot of choices when looking for spice The recipes are all ground beef based too which means you can make some of the best tasting jerky in your life with ground up meat Yes you can pick up a couple pounds of ground chuck and in a few hours have a huge bag of jerky that tastes better than anything you could ever buy at a store Not only that it will be easy to chew inexpensive and nobody will ever be able to tell you made it from ground up meat In fact most people won't believe you when you tell them These recipes are all a lot of fun and they create jerky with a wide range of flavors Feel free to skip around and read the recipes to see what you like before you start Once you find a few recipes you like you can get started making some amazing jerky that you might even be surprised you could create with just a simple dehydrator and a jerky gun It's actually really easy to make jerky at home and it only takes about 30 minutes of prep time After that the dehydrator does all of the work and you just wait for your delicious jerky to come out a few hours later Couldn't be easier Finally if you still need a dehydrator and a jerky gun don't worry I have a 40 dehydrator and a 15 jerky gun and I've made hundreds of recipes You don't need anything more and it's an investment that will pay itself back after you make your

first few batches **The Secret to Crafting Ground Beef Jerky Recipes** Brian Gary Forbes, 2021-02-14 Great recipes are rarely nailed on the first try. Instead, they are developed over several generations of making the same recipe with minor changes to the ingredients. In this way, a recipe is taken from average to outstanding by changing a couple small details each time and making the recipe again until it's perfect. Thankfully, most recipes only need to be made a couple or a few times to get them dialed in, and that's all part of the fun of crafting your own ground beef jerky recipes. Coming up, I'll show you how to take a recipe that you like and make changes to the ingredients to highlight what you would like to taste more and reduce what you want to taste less. You'll learn how to make a recipe that is just the way you like it without compromise or having to settle for something that isn't how you like it. Once you know the process, the rest of the book is filled with log sheets where you can write out your recipes as well as the changes and save them as your own personal beef jerky cookbook. Not only will it help you make better recipes, it will also give you a place to safely store them so as you create your custom-tailored recipes, you won't have to worry about losing them. There is room for 100 recipes of your own with space for up to five generations of each recipe. *Jerky* A. D. Livingston, 2010-10-05 A guide to making high-protein, low-fat, delicious jerky and jerky dishes using beef, venison, fish, or fowl. [Backcountry Cooking](#) Dorcas Miller, 1998-05-31 Tasty, easy recipes from the editors of Backpacker magazine and other outdoor experts. Fast, fuel-efficient meals in 10 minutes. 144 recipes. Even backpackers who swear by mac 'n' cheese in the backcountry will admit to drooling when a companion whips out an evening meal of Thai veggie noodles and coconut mango rice pudding for dessert. Even so, they'll protest that such great trail food is too complicated to prepare. Well, no more. *Backcountry Cooking* simplifies backcountry food preparation and shows hikers how to eat well while packing light. It offers fast, easy recipes from Backpacker magazine editors and contributors, outfitters, backpacking food suppliers, and trail veterans. With a smorgasbord of information, Miller covers the basics about ingredients, fast food, and fuel efficiency, dehydrating, and backcountry baking. Most of the 144 recipes take only 10 minutes to prepare on the trail. With a little extra preparation at home and this compendium of expert advice, even the most minimalist hiker will find it easy to eat like royalty in the backcountry. *The Complete Guide to Drying Foods at Home* Terri Paajanen, 2012 Food dehydration is not just for prunes and raisins; any more, a recent U.S. study revealed that the dried and dehydrated food industry made more than \$6 billion in revenue in one year alone. Thanks to advances in technology, dehydrating foods at home has become easier than ever, allowing you to lock in food's nutritional value while eliminating the water content that causes foods to grow bacteria and mold. Drying foods also gives you a source of raw, nutrient-rich food that is easily available and requires no additional preparation. *The Complete Guide to Drying Foods at Home* provides you with all the information necessary for drying fruits, vegetables, meats, herbs, grains, and even dairy products. This book will provide you with instructions on how to dry foods using a food dehydrator and will also offer you simpler alternatives for how to dehydrate foods using an oven, microwave, or even the sun. You will learn what equipment you need to get started and how to properly store your food to

ensure optimal freshness This book also provides you with recipes for any meal of the day whether you are looking for an easy breakfast alternative or a quick soup you can prepare for lunch You will even learn how to prepare foods for young children and pets Drying your foods will not only provide you with timesaving options for ways to prepare your meals it will also allow you to reduce the amount of food you throw out each month Researchers at the University of Arizona found that the average family wastes 14 percent of their food purchases learning how to dehydrate and store dry foods can ensure the money you spend on groceries will not be thrown out with the trash We have spent hundreds of hours interviewing dozens of experts who will provide you with all the information you need to start dehydrating your foods We've spoken with nutritionists and busy parents who advocate drying foods as a way to save time and still prepare healthy meals This book is filled with delicious recipes and practical tips to help you and your family enjoy the economic and health benefits that dehydrated foods offer Whether you are looking for money saving dinner options or a quick recipe for a high protein trail mix The Complete Guide to Drying Foods at Home offers you all the information you need to start cooking and eating smarter Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president's garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed
