Thomas Corriher, Sarah C. Corriher, 2013-09-25 Without any fear of repercussion or rejection Thomas and Sarah will lead you through a compelling never before seen exposure of widespread fraud in mainstream and alternative medicine in *Defy Your Doctor and Be Healed*

This book is meant to be more than just an investigation of fraudulent medicine it's intended to save your life. It's sure to be provocative as you'll learn much of what you're told or sold by medical authorities and the media can be reduced to cleverly devised narratives or pathways for profiteering. As you learn the ins and outs you'll be given the tools and knowledge to take charge of your health with confidence. As the veteran health detectives of Health Wyze Media, Thomas and Sarah, have earned enduring reputations for asking tough questions and getting unpopular answers, they are the producers of *The Health Wyze Report*, a hard in-depth look at the truth behind today's orthodox and alternative medicine, and *The Cancer Report*, a documentary about the cancer industry and its alternatives. *Defy Your Doctor and Be Healed* is the culmination of seven years of uncompromising medical research and reporting. Its premise is simple: it approaches standard and alternative medicine from a scientific standpoint, examining their goods and ills. It also asserts that the human body has natural healing abilities and that the answers to most of our health dilemmas are so close to us that we're unable to see them.

*The Homemade Pantry* Alana Chernila, 2012-04-03 This is my kitchen. Come on in, but be prepared: it might not be quite what you expect. There is flour on the counter, oats that overflowed onto the floor, chocolate-encrusted spoons in the sink. There is Joey, the husband, exhausted by the thirty-five preschoolers who were hanging on him all day and he is stuffing granola into his mouth to ease his five o'clock starvation. There are two little girls trying to show me cartwheels in that miniscule space between the refrigerator and the counter where I really need to be. In her debut cookbook, Alana Chernila inspires you to step inside your kitchen, take a look around, and change the way you relate to food. *The Homemade Pantry* was born of a tight budget, Alana's love for sharing recipes with her farmers market customers, and a desire to enjoy a happy cooking and eating life with her young family. On a mission to kick their packaged food habit, she learned that with a little determination, anything she could buy at the store could be made in her kitchen, and her homemade versions were more satisfying, easier to make than she expected, and tastier. Here are her very approachable recipes for 101 everyday staples, organized by supermarket aisle, from crackers to cheese, pesto to sauerkraut, and mayonnaise to toaster pastries. *The Homemade Pantry* is a celebration of food made by hand: warm mozzarella that is stretched thick, lasagna noodles rolled from flour and egg, fresh tomato sauce that bubbles on the stove. Whether you are trying a recipe for butter potato chips, spice mixes, or ketchup, you will discover the magic and thrill that comes with the homemade pantry. Alana captures the humor and messiness of everyday family life, too. A true friend to the home cook, she shares her tense moments to help you get through your own. With stories offering patient, humble advice, tips for storing the homemade foods, and rich, four-color photography throughout, *The Homemade Pantry* will quickly become the go-to source for how to make delicious staples in your home kitchen.
