**Grandma's Guide to Gluten Free Cooking** Barbara Wells, 2007 My story begins about 4 years ago when my grandson Brandon was restricted to a diet free of gluten wheat eggs dairy and peanuts I was totally bewildered How could I possibly cook properly for him and his family I only remember once that I wept in my kitchen pantry out of frustration but many times I felt that inadequate Brandon's mom gave me a couple of recipes which I prepared on every visit I also had a house rule that no one was allowed to eat forbidden foods in his presence I felt that I was doing all that I could until one innocent remark changed my life We were in a grocery store and Brandon took my hand led me to a display and said longingly Look Nana those are called muffins It brought tears to my eyes and I vowed to myself that I would learn to cook delicious foods gluten wheat dairy egg and peanut free It has been a journey of trial and error I cannot tell you that I have successes every time but imagination and persistence has paid off I have felt led to write this book and it is my wish that it will help your family as much as it has helped mine Barbara Wells
