Food Pusher's Cookbook Rick Melfi, 2011-06 It wasn't until I was a student at the Culinary Institute of America in the late 1970s that I first realized that growing up as a first generation Italian American family in the Bronx and New Jersey wasn't as typical as I had thought. My parents and their parents were all born and raised in Italy. Throughout my youth and beyond, my father and mother referred to their five children, four boys and a girl, by the number in the order of which we were born. To this day, my mother still occasionally refers to me as Number Two Son. But when it came to hanging around the kitchen, I was definitely the number one pest. I was the little punk kid always by my mother's side as she was cooking or baking. I would jockey for position wherever my mother moved, stand on a kitchen chair up against the stove, and otherwise constantly be in her way as I tried to get a better look at whatever was being done. Same when either of the grandmothers, Nona Lisa or Grandma Melfi, or other relatives were there. Maybe it was something in the water around Pisa, but I suspect it's a genetic condition. For my mother, her mother, cousins, aunts, and countless generations before them, in this food-fueled bloodline, the world revolved around the kitchen and dining room table. Life was not good unless family, friends, or anyone close to the dinner table was fed to excess, ritually seduced with course after course of delicious, abundant, and temptingly presented food. This attitude seemed to pervade all branches of the family, but my inspiration and mentor was Maria Gracia Melfi, aka Mama Melfi, aka The Food Pusher. Mastering the Art of French Cooking, Volume 1 Julia Child, Louisette Bertholle, Simone

Beck, 2011-10-05 NEW YORK TIMES BESTSELLER The definitive cookbook on French cuisine for American readers. What a cookbook should be: packed with sumptuous recipes, detailed instructions, and precise line drawings. Some of the instructions look daunting, but as Child herself says in the introduction, "If you can read, you can cook." Entertainment Weekly: "I only wish that I had written it myself." James Beard. Featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way, *Mastering the Art of French Cooking* offers something for everyone, from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine. Julia Child, Simone Beck, and Louisette Bertholle break down the classic foods of France into a logical sequence of themes and variations, rather than presenting an endless and diffuse catalogue of dishes from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring green peas. Throughout, the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations, bound to increase anyone's culinary repertoire. Julia has slowly but surely altered our way of thinking about food. She has taken the fear out of the term *haute cuisine*. She has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique, and she has elevated our consciousness to the refined pleasures of dining. Thomas Keller, *The French Laundry*. *The Constance Spry Cookery Book* Constance Spry, Rosemary Hume, 2014-01-19 One of the all-time great cookbooks receives a lavish update and remains an essential resource and inspiration for cooks of all levels.
