of *Us* Marge Piercy, 2009-04-02 Every year poet and novelist Marge Piercy creates her own Passover seder with a group of family and friends Babies have been born and grown up friends have moved or divorced but the principals continue to gather in her rustic Cape Cod home to participate in a seder that Piercy takes joy in tweaking each spring to make it more meaningful In this journey through the ritual Piercy coaxes us toward a significant contemporary interpretation rather than an emphasis on what is strictly correct or traditional She reminisces about her grandmother who thought herself unworthy to lead a seder because of her limited Hebrew but presided morally at the table she urges adding an orange to the seder plate she even describes her heroic efforts to make her own gefilte fish an experiment not to be repeated Piercy offers her distinct slant on each element of the feast and provides dozens of her own wonderful recipes which she delivers in the same warm commanding voice as is heard in her poems and prose When I told Ira that I was going to explain how to cook matzoh brei he thought I was crazy Everybody knows how to make matzoh brei he said But I am of the opinion that there is no longer anything that everybody knows how to cook It is in that spirit no question too simple that Piercy welcomes readers to her kind of seder a homemade and personal affair the kind we all wish we could attend This charming and instructive book of Passover wisdom brimming with favorite dishes and Marge Piercy's own moving Passover poems and blessings invites us to look at an important Jewish ritual in a whole new way *Gastronomic Judaism as Culinary Midrash* Jonathan D.

Brumberg-Kraus, 2018-10-29 This book is about what makes food Jewish or better who and how one makes food Jewish Making food Jewish is to negotiate between the local regional and now global foods available to eat and the portable Jewish taste preferences Jews have inherited from their sacred texts and calendars What makes Jewish food Jewish and what makes Jewish eating practices continually viable and meaningful are not fixed dietary rules and norms but rather culinary interpretations and adaptations of them to new times and places culinary midrash Jewish cuisine is a fusion of interactions a reflection of displacement and intentional positioning and re positioning vis a vis sacred texts old and new lands Jewish and non Jewish neighbors old and new family combinations re imaginings of our personal ethnic gender and other identities Jonathan Brumberg Kraus questions Jewish identity in particular and identity generally as something fixed stable and singular and unintentional Jewish food choices are situational often temporary expressions of Jewish identity It addresses the tension between what Jewish authoritative textual sources and their proponents say is Jewish food and Jewish eating and what Jews actually eat So while discussing connections between ancient religious texts and modern Jewish food preferences this book does not stop there Using examples from his experience Brumberg Kraus describes the improvisational characteristics of gastronomic Judaism as the interplay of texts tastes artifacts and everyday practices not only in the classic sacred texts but also in Jewish cookbooks and internet blogs on Jewish home cooking seasonal intensification of Jewish food choices e g latkes at Chanukah or keeping kosher for Passover safe treif the fusion cultural appropriation of diasporic Biblical and Palestinian foods in new Israeli cuisine and the impact of the environmentalist New Jewish Food movement on

The 100 Most Jewish Foods Alana Newhouse, Tablet, 2019-03-19 Your gift giving problems are now over just stock up on The 100 Most Jewish Foods The appropriate gift for any occasion Jewish Book Council A love letter to food family faith and identity and the deliciously tangled way they come together NPR s The Salt With contributions from Ruth Reichl ric Ripert Joan Nathan Michael Solomonov Dan Barber Yotam Ottolenghi Tom Colicchio Maira

Kalman Melissa Clark and many more Tablet's list of the 100 most Jewish foods is not about the most popular Jewish foods or the tastiest or even the most enduring. It's a list of the most significant foods culturally and historically to the Jewish people explored deeply with essays, recipes, stories, and context. Some of the dishes are no longer cooked at home and some are not even dishes in the traditional sense: store-bought cereal and Stella D'Oro cookies, for example. The entire list is up for debate, which is what makes this book so much fun. Many of the foods are delicious, such as babka and shakshuka. Others make us wonder how they've survived as long as they have, such as unhatched chicken eggs and jellied calves' feet. As expected, many Jewish and now universal favorites like matzo balls, pickles, cheesecake, blintzes, and chopped liver make the list. The recipes are global and represent all contingencies of the Jewish experience. Contributors include Ruth Reichl, Eric Ripert, Joan Nathan, Michael Solomonov, Dan Barber, Gail Simmons, Yotam Ottolenghi, Tom Colicchio, Amanda Hesser, and Merrill Stubbs. Maira Kalman, Action Bronson, Daphne Merkin, Shalom Auslander, Dr. Ruth Westheimer, and Phil Rosenthal among many others. Presented in a gifty package, *The 100 Most Jewish Foods* is the perfect book to dip into, quote from, cook from, and launch a spirited debate.

The Jewish Gardening Cookbook Michael Brown, 2011-09-29 A down-to-earth approach to spirituality that links your garden with biblical tradition. Perhaps you're asking, "What is a Jewish garden?" Though it is essentially a collection of plants, it's really more than that. You don't just grow plants in a Jewish garden; you incorporate them into your life. Some will help transport you to different times and places; others will provide your senses with aromas, tastes, and beauty. All will help you experience a more personal attachment to God and to Judaism from the Introduction. This guide shows how your gardening can sustain your spirit in new ways, whether you grow one fig tree on an apartment terrace or five acres of wheat in the country. It may also help you realize, as never before, that for each fruit and vegetable associated with every holiday, there is a profound and sustaining reason. To ancient Jews, figs symbolized prosperity, grapes signified fertility, and olives represented the renewal of life. Barley was the chief cooking staple, and dates were a honey substitute. *The Jewish Gardening Cookbook* gives clear and easy-to-follow instructions on how these foods and more can be grown and used for holidays, festivals, and life cycle events. For example, following the cycle of the Jewish year, it explains how to grow apples to bake in apple raisin nut cake at Rosh Hashanah, potatoes for latkes at Hanukkah, and ways to maximize use of your zucchini crop with zucchini nut bread at Purim. *The Jewish Gardening Cookbook* provides tasty vegetarian recipes so that what you grow can be enjoyed during holiday meals, bringing our biblical past into our lives as people who have a profound relationship with the Land of Israel.
