[Soap Making Recipes](#) Julia Green, 2020-12-15 Do you want to know the powerful health benefits of using homemade soaps Do you want to stop exposing your body to the chemicals present in commercialized soaps Then keep reading Have you ever felt clean but at the same time your skin felt uncomfortable itchy and lacking moisture It s all because of the unnatural components of the soap that are stripping your skin of its natural oils Did you even take a glance

at the ingredients list of what soap you're using I'm pretty sure you have not. It's too long filled with words you can't even understand let alone pronounce. It is easy to unknowingly subject your body to the harmful components of these cleaning products because they are readily available. These days we want everything to be fast and accessible we barely even give it a second thought of how it might affect us be it positively or negatively. But it's not too late to start treating your skin with the care it truly deserves. The goal of this book is simple. Teaching you all the secrets for having a shiny and soothing skin with organic soaps prepared at home. In the Soap Making Recipes book you will learn about The equipment you need for making your own soap The Basic Techniques and Ingredient to produce your homemade soap How to Wrap and Preserve Your Soap More than 30 recipes to start Making Your Own Soap The Cold Hot Process Techniques Decorative Techniques Natural Additives Colorants Scents Troubleshooting and Common Mistakes in Soap Making Tips and Safety Reminders on Making Soaps at Home Soap Making as A Business Opportunity Special and Seasonal Soap Recipes And Much More. There are plenty of reasons why you should choose to make your own soaps out of organic ingredients. First of all making your own soap enables you to take control over what you put in each bar and consequently what you apply to your skin as well as that of your family's every single day. Soap making can be either very complicated or very simple. It depends only on your approach. Like all things all it takes is a bit of learning and patience at first. What makes soap making so attractive and amusing is that you have the freedom in selecting what goes in from the ingredients scents and some extras it's all about what you like. You are creating something that suits you and is also good for you. This is a step to changing your life for the better. It takes commitment to actually put soapmaking into action but believe me your skin will thank you. Years from now you will look back and think I'm so glad I made that change. Soap making is a fun addition to your lifestyle and that's why we are providing a guide to help you start off your life as a beginner soap maker. the others but I can honestly say after five years of making all different kinds of soaps that each of these methods have their own unique soap creating techniques that the others don't. Did you know that there is a soap that can reduce cellulite? How about the soap that can cure acne and other skin blemishes? My son's acne disappeared after using a soap that one of my friends made that is how I got interested in soap making. There are many medicinal and other benefits of using homemade natural soaps. I divided each of the soap making methods into 3 categories: Floral Scented Soaps, Unique Soaps, Medicated Soaps. In each category I listed 10 of my best recipes, most of which are truly unique. Additionally, I added three additional chapters with 10 recipes in each that are becoming very popular lately: Glycerin Soaps, Liquid and Laundry Soaps, Goat Milk Soaps. But before you buy this book, I would prefer you take a glance at the table of content and look through all of my 150 recipes and see if any of them peak your interest. Welcome to the world of soulful aroma and beautiful colors of freshly homemade soaps.
