The Nazi, the Princess, and the Shoemaker Scott Neuman, 2019-07-07 Have you ever heard of a Jew who saved a Nazi s life Who evaded capture by pretending to be a Polish peasant a Communist spy a partisan and a Rabbi Who spent months starving in the woods sleeping in haystacks in the freezing cold only to finish off the war in a luxurious palace as the guest of a Polish princess Over 30 years in the making this unique and extraordinary account was recreated from cassette tapes which were recorded in the early 1980s and later found in the bottom of a closet as well as videotaped interviews by Steven Spielberg s Shoah Foundation The book describes Binem s Holocaust experience in harrowing detail from its lows including a suicide attempt in the Jewish graveyard where his parents were buried to its highs such as finishing off the war as an honored guest at the Osten Sacken mansion and his celebratory speech to the Russian Jewish officers who liberated him

A Fistful of Lentils Jennifer Felicia Abadi, 2002 This intimate culinary food album features 125 Syrian Jewish recipes warm family anecdotes and little known stories of Syrian Jewish culture Syrian Jewish cooking features meats simmered with cumin allspice or cinnamon savory vegetables stuffed or roasted sweet and sour sauces and lemony dressings

A Fistful of Lentils Jennifer Abadi, 2020-01-17 A Fistful of Lentils is a cookbook about my family s stories history and cooking from Aleppo Syria Quotes and stories are interwoven throughout the recipes along with line drawings There is as much to read as there are recipes to cook from I embarked upon this cookbook project to record all of the delicious Syrian dishes that I had grown up with and was afraid would be lost over time In the 1970s my mother Annette and my Aunt Essie first decided to collect my great grandmother Esther s recipes Carefully observing her in the kitchen and eking out as many Old World secrets as they could they gathered a substantial number of recipes resulting in a three ring binder that provided us with many successful Syrian dinner parties Thirty years later I picked up from where they left off cooking alongside my own grandmother Fritzie translating her handfuls of this and

pinchfuls of that into standard measurements for others to follow The stories that my grandmother Fritzie shared with me while cooking became as much a part of the experience as the cooking itself culminating in my cookbook memoir A Fistful of Lentils A labor of love from beginning to end I hope that this cookbook serves as a torch holder of a remarkable culture that has clung to its origins with pride and tenacity over thousands of miles and many years and that its recipes will continue to be preserved and appreciated by both present and future generations

A NOTE ABOUT THIS NEW EDITION This is a third 3rd edition paperback of the original hardcover book that was first published in 2002 by Harvard Common Press Publishing I got the rights back to this book a year ago from the publisher and decided to self publish it so that it would still be available I redesigned the layout and added several new photos of my family as well as of my grandmother s artwork I also updated many of the recipes and even added several new ones I hope that you enjoy this new edition as much as the original
