Carter Beckett is the NHL's best player, both on and off the ice. His career is at its peak, his team is performing better than ever, and there's no shortage of women to spend the night with. What more could he want? Olivia Parker isn't new to professional hockey players; thanks to her best friend's boyfriend, but she has no interest in dating one herself, no matter how hot he is. And anyway, she loves working as a teacher and hanging out with her best friend, drama-free. Why would she want to spend her time stroking the ego of an arrogant athlete? But once Carter meets Olivia, he can't think of anyone else. Too bad for him, Olivia is hell-bent on keeping him at arm's length with no intention of giving into his charms. Perhaps it's time for Carter to up his game, after all, nobody ever said he had to play fair. Sparks will fly as Carter does whatever it takes for Olivia to consider him. Becka Mack's writing is endlessly sexy and funny. Consider Me will have you fanning yourself and Googling your closest hockey team hangout.
