Seventh-day Adventist Church Manual. General Conference of Seventh-Day Adventists, 2005 **Seventh-day Adventist Church Manual** General Conference of Seventh-Day Adventists, 1963 **Seventh-day Adventist Minister's Handbook** General Conference of Seventh-Day Adventists. Ministerial Association, Ministerial Association of Seventh-Day Adventists, 2009 **Official Guide and Manual of the 250th Anniversary Celebration of the Founding of Newark, New Jersey, 1666-1916**, 1916 **Spes Christiana 2020-01** Reinder Bruinsma, 2021-02-26 Spes Christiana is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars **The A to Z of the Seventh-Day Adventists** Gary Land, 2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller's conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination's geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations **The Oxford Handbook of Seventh-Day Adventism** Michael W. Campbell, Christie Chui-Shan Chow, David Holland, Denis Kaiser, Nicholas Miller, 2024 This Oxford Handbook contains 39 original essays on Seventh day Adventism Each chapter addresses the history theology and various other social and cultural aspects of Adventism from its inception up to the present as a major religious group spanning the globe **Discipleship Handbook** General Conference Sabbath School and Personal Ministries, 2018-01-01 There is no higher calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that threaten to lead us away

from the narrow path that leads to heaven If the devil had his way every Christian would be lulled to spiritual slumber or led into forbid den paths that would steal the heart away from God Therefore even after we are baptized it is imperative that we continue to grow into active and mature disciples of Christ The Discipleship Handbook will benefit anyone seeking such an experience with Jesus It may be used for personal study or in Sabbath schools prayer meetings small groups or one on one settings It is more than a book about discipleship Rather it contains everything needed for a six month Bible based discipleship plan for Seventh day Adventist churches and their members The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered The devotional life personal witnessing church life Christian lifestyle and evangelism each receive special emphasis For newer members the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor
