

Size chart for Standard Patterns for Basic Bodice and Skirts

All our patterns offer 2 - 6 sizes and the trick is to find the right one for you. Even if you've always purchased the same size of clothes from the store, your figure can change in just a few months. When sewing your own clothes, you'll want to regularly take your measurements.

All our sewing patterns are designed to fit an "average" person. While one size might fit your waist perfectly, you might have a fuller bust or wider shoulders than it allows for, therefore you might have to make some minor adjustments to fit your body shape and size.
