Eat My Words Janet Theophano, 2016-01-26 Some people think that a cookbook is just a collection of recipes for dishes that feed the body In *Eat My Words* Reading Women s Lives through the Cookbooks They Wrote Janet Theophano shows that cookbooks provide food for the mind and the soul as well Looking beyond the ingredients and instructions she shows how women have used cookbooks to assert their individuality develop their minds and structure their lives Beginning in the seventeenth century and moving up through the present day Theophano reads between the lines of recipes for dandelion wine Queen of Puddings and half pound cake to capture the stories and voices of these remarkable women The selection of books looked at is enticing and wide ranging Theophano begins with seventeenth century English estate housekeeping books that served as both cookbooks and reading primers so

that women could educate themselves during long hours in the kitchen She looks at *A Date with a Dish* a classic African American cookbook that reveals the roots of many traditional American dishes and she brings to life a 1950s cookbook written specifically for Americans by a Chinese migr and transcribed into English by her daughter Finally Theophano looks at the contemporary cookbooks of Lynne Rosetto Kaspar Madeleine Kamman and Alice Waters to illustrate the sophistication and political activism present in modern cookbook writing Janet Theophano harvests the rich history of cookbook writing to show how much more can be learned from a recipe than how to make a casserole roast a chicken or bake a cake We discover that women s writings about food reveal and revel in the details of their lives families and the cultures they help to shape

Rebellious Cooks and Recipe Writing in Communist Bulgaria Albena Shkodrova, 2021-01-28 How did people exist and resist in their daily lives under Soviet control in the Cold War period Shkodrova s monograph shows how in communist Bulgaria many women passionately exchanged recipes with friends and strangers to build substantial and impressive private collections of recipes This activity was borderline contraband in going against the general disapproval of home cooking that formed part of the ideology of

communism in which home cooking was considered household slavery and an agent of patriarchalism Private recipe collections were by far the preferred written source of culinary information more popular than the state approved commercial cookbooks Shkodrova shows how these recipe collections held many different meanings for the women who collected them from helping to navigate the communist economy to enabling new friendships to be developed while engaging safely in power relations and cultivating a sense of individual identity in a society where collective existence was prioritised and exalted Drawing on primary sources including scrapbook cookbooks and working from the establishment of cookery classes before communism and their obliteration thereafter Shkodrova presents a structured outline of the meanings of recipes exchange and home cooking for Bulgarian women under communism Discovery William Hayashi,2009-12-04 In the middle 1960s a Black astrophysics student discovers how to control gravity but tells no one Instead he gathers a small group of his friends together in secret they build a space craft travel to the back side of the moon the side that never shows toward earth and build an underground colony well before Neil Armstrong shows up Over the next forty years they secretly bring 2000 additional African Americans to the moon and develop a Utopian society with advanced science and medicine they are healthier and live longer than their cousins on earth Discoverys story begins in 2001 and tells of the circumstances that lead the United States of America to discover that these African Americans have been living on the moon for nearly half a century and what happens in this country as a result Divorcing Mom Melissa Knox,2019-01-22 Psychoanalysis was her family s religion instead of wafers and wine there were Seconals Nembutals and gin Baptized into the faith at fourteen Melissa Knox endured her analyst s praise of her childlike victimized mother who leaned too close ate off Melissa s plate and thought pedophile meant silly person Gaslighted with the notions that she d seduced her father failed to masturbate and betrayed her mother Melissa shouldered the blame Her story of a family pulled into and torn apart by psychoanalysis exposes the abuse inherent in its authoritarianism as Melissa learns with a startling sense of humor and admirable chagrin that divorcing Mom is sometimes the least crazy thing to do **Help, My Little Girl's Growing Up** Annette Gail Smith,2001 Join bestselling author Annette Smith and her daughter Rachel as they share personal anecdotes counsel and biblical wisdom for moms and daughters at this turning point in their relationship With grace humor and practicality Smith offers a helping hand to mothers of preteen and early teenaged girls **And It Don't Stop** Raquel Cepeda,2004-09-29 This collection of the best articles the hip hop generation has produced captures the indelible moments in hip hop s history since 1979 and will be the centerpiece of the 25th anniversary celebration Sextuplet and the City Misha Bell,Anna Zaires,Dima Zales,2022-07-12 What happens in Vegas stays in Vegas Or does it Okay let me explain I broke into my crush s dressing room to sniff his tights not in a pervy way I swear and got busted while um you get the idea He then kind of sort of blackmailed me into agreeing to a fake green card marriage with him But hey I m not complaining Next thing I know we re on a flight to Vegas to make our friends and family think we had a crazy drunken night and in the spur of the moment tied the knot Except that s exactly what

happens Thanks a lot vodka Considering that he s the most desirable ballet dancer in New York City and I m a garage dwelling secret blogger with a major sweet tooth there s no way this marriage could ever become real Not to mention my totally crazy family and my aversion to every smell under the sun except his All I can hope for is to not fall in love with my husband That shouldn t be too hard right
