Lectures on the Psychology of Women Joan C. Chrisler, Carla Golden, 2018-01-12 Twenty two distinct essays prepared especially for *Lectures on the Psychology of Women* present readers with topics often not covered in depth in standard texts Essays are written by feminist psychologists all of whom are active and committed teachers and researchers within the psychology of women More than half the lectures are new to this edition and the others have been significantly updated to include recent research and contemporary examples The book s organization aligns with core texts making it ideal supplemental reading However each lecture stands alone so instructors can assign readings to meet their own course needs Part I on the diversity of women includes lectures on women with disabilities social class immigration relational race privilege aging sexual fluidity and mothering Part II delves into body images and female embodiment with lectures covering such topics as the sexualization of girls PMS weight and body image media representations of Black women genital anxieties and the hairless ideal Part III addresses women s physical and mental health with lectures on depression multicultural therapy Black women s health in the U S and institutional corruption in psychiatry Part IV focuses on discrimination control and violence against women with lectures on slut shaming online gender harassment and microaggressions Part V on social justice and activism includes lectures on awareness of

intersectional identities and the relation between the psychology of women and feminist activism *The Ways Women Age* Abigail T. Brooks, 2017-03-07 The story of how and why some women choose to use while others refuse cosmetic intervention What is it like to be a woman growing older in a culture where you cannot go to the doctor open a magazine watch television or surf the internet without encountering products and procedures that are designed to make you look younger What do women have to say about their decision to embrace cosmetic anti aging procedures And alternatively how do women come to decide to grow older without them In the United States today women are the overwhelming consumers of cosmetic anti aging surgeries and technologies And while not all women undergo these procedures their exposure to them is almost inevitable Set against the backdrop of commercialized medicine in the United States Abigail T Brooks investigates the anti aging craze from the perspective of women themselves examining the rapidly changing cultural attitudes pressures and expectations of female aging Drawn from in depth interviews with women in the United States who choose and refuse to have cosmetic anti aging procedures *The Ways Women Age* provides a fresh understanding of how today s women feel about aging The women s stories in this book are personal biographies that explore identity and body image and are reflexively shaped by beauty standards expectations of femininity and an increasingly normalized climate of cosmetic anti aging intervention *The Ways Women Age* offers a critical perspective on how women respond to 21st century expectations of youth and beauty

Finding Love After Loss Marti Benedetti, Mary A. Dempsey, 2021-10-11 Guides readers through the emotions and practical concerns of finding love after the death of a partner Romantic love in all its permutations forms one of the most fascinating of human interactions It also can be one of life s thorniest challenges especially in a world where relationships often unfold online and recently where a pandemic barred face to face contact with people outside one s immediate household Among those seeking romance in increasing numbers is a group that stands apart the women who slammed by the death of a spouse bravely pursue new love *Finding Love After Loss A Relationship Roadmap for Widows* goes to the trenches to interview widows who have embarked nervously but with hope on this quest Their frank and revealing interviews along with wisdom from relationship experts provide guidance to other women trying to navigate the relationship scene when their last date might have been decades ago Where do widows find new partners How much should they share in their online profile What do they tell their friends and family What about getting naked for the first time with a new man Who pays when the bill appears at a restaurant More than any time in U S history the country s widows are seeking another chance at romance The sheer number of widows 11 million with an average age in the fifties makes them a formidable force They are living longer and have broader views on sex and money Yet it is difficult for them to find their footing Many of them have been away from the courtship arena for decades They may make their return to dating with children and in laws in tow They are confused by the new rules and unclear on the expectations but convinced that they are capable of loving again This book written by a widow and a co author who dated a widower details just how powerful sometimes daunting and exhilarating the

journey to new love can be It also unveils the extraordinary ways that widows are reshaping the romance landscape by tossing traditional marriage vows by the roadside by skipping marriage entirely or even by committing to a new partner but living apart This isn't your grandmother's widowhood scene not by a long shot Finding Love After Loss examines the crazy sad and even zany contributions that people left behind by the death of a partner bring to new relationships At the same time it reveals both the amazing resilience of women who have lived through great loss and the irresistible pull of human connection

Older and Bolder Renata Singer, 2015-08-03 For the first time in history women can expect to live well from their sixties for another three decades A drab existence of retirement disease and disconnection is not an option for this generation of women In Older Bolder Renata Singer contrasts the stories of the pioneers of active productive old age against the anxieties of those facing the milestone of turning sixty considering each viewpoint in the light of revealing research Older Bolder is her rallying guide to living audaciously in the last third of your life

Love Unfolded Abdur Rahim, 2019-08-08 Where there is love there is life But what love is To understand love at the deepest level we need to know what love is and how it is explained This book attempts to share inspiring insights anecdotal experiences and perhaps incomplete yet valuable materials and viewpoints of general and notable people across the global cultures over time which is presented precisely easy to read and understand to the readers on the matter of love marriage and sexual behavior towards fulfilling the life's most intrinsic desire and happiness The book is for the general public of all sections of global society and culture The three key messages readers shall take away from this book They are a love is the essence b marriage is a bond and c sex is the ultimate supreme pleasure of life Explaining these themes attempts have been made to broadly discuss about the topics bringing together various ideas from diverse sources historical periods cultures and philosophical perspectives along with contemporary empirical work from psychology sociology anthropology and neuroscience The readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love marriage relationships and observed or unobserved

differences between men and women and what social historical cultural political evolutionary or biological factors might influence them Nonetheless the substance of the book tells the inner most words of every men and women that are being preserved since their young age Finally the book will be of good values and understanding with readers own journey of love marriage and relationship These are the reasons why the readers will buy the book The main objective of the book is to let the readers rethink about the changing pattern of love and relationships over time **The Energies of Love** Donna

Eden,David Feinstein,2016-01-19 The bestselling authors of Energy Medicine and Energy Medicine for Women present a complete program for using energy medicine to heal and strengthen romantic relationships A relationship begins with the meeting of two unique energies This union of energies though invisible determines the way you communicate fight love and want to be loved In this groundbreaking book the bestselling authors of Energy Medicine draw on the real life experiences of couples who have attended their popular Energies of Love workshops as well as their own experience as husband and wife to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond We all have different ways of making sense of the world around us but when faced with conflict especially with those we care most about we tend to revert to one of four Energetic Stress Styles Visuals are extremely passionate and inspire others to care about the things they care about but in moments of conflict their take on the situation can overshadow what is actually occurring undermining their ability to empathize with their partner Kinesthetics are generous compassionate and accepting of other people but their caring nature pulls them in too many directions They try to meet others needs at the expense of their own which can cause mounting resentment Digitals are rational and principled and have a gift for quickly understanding complex situations but they can become closed to others perspectives and feelings Tonals have a gift for understanding others and their dilemmas but during moments of conflict their ability to read between the lines can morph into hearing what was never said felt or thought According to the authors the strongest relationships are those in which the two parties feel that they are partners on a shared spiritual journey By helping you better understand your own unique energy system as well as that of your partner you will be able to recognize your strengths as a couple and avoid the pitfalls The Energies of Love serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting
