Long Term Scott Herring, Lee Wallace, 2021-07-06 The contributors to *Long Term* use the tension between the popular embrace and legalization of same sex marriage and the queer critique of homonormativity as an opportunity to examine the myriad forms of queer commitments and their durational aspect They consider commitment in all its guises particularly relationships beyond and aside from monogamous partnering These include chosen and involuntary long term commitments to families friends pets and coworkers to the care of others and care of self and to financial psychiatric and carceral institutions Whether considering the enduring challenges of chronic illnesses and disability including HIV and chronic fatigue syndrome theorizing the queer family as a scene of racialized commitment or relating the grief and loss that comes with caring for pets the contributors demonstrate that attending to the long term offers a fuller understanding of queer engagements with intimacy mortality change dependence and care Contributors Lisa Adkins Maryanne Dever Carla Freccero Elizabeth Freeman Scott Herring Annamarie Jagose Amy Jamgochian E Patrick Johnson Jaya Keaney Heather Love Sally R Munt Kane Race Amy Villarejo Lee Wallace

Sexed Up Julia Serano, 2022-05-17 The author of landmark manifesto *Whipping Girl* exposes the violent ways we are all sexualized then offers a bold path for resistance Feminists have long challenged the ways in which men tend to sexualize women But pioneering activist biologist and trans woman Julia Serano argues that sexualization is a far more pervasive problem as it's something that we all do to other people often without being aware of it Why do we perceive men as sexual predators and women as sexual objects Why are LGBTQ people stereotyped as being sexually indiscriminate and deceptive Why are people of color still being hypersexualized These stereotypes push minorities farther into the margins and even the privileged are policed from transgressing lest they also become targets Many view sexualization as a mere component of sexism racism or queerphobia but Serano argues that liberation from sexual violence comes through collectively confronting sexualization itself

Gay Male Pornography Christopher N. Kendall, 2004 The 2000 case of Little Sisters Book and Art Emporium v Customs Canada provided Canada's highest court with its first opportunity to consider whether the analysis set out in R v Butler in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience The Court held that it did finding that like heterosexual pornography same sex pornography also violates the sex equality interests of all Canadians Christopher Kendall supports this finding arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation misogyny and homophobia alike by sexually conditioning gay men to those attitudes and practices The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the Little Sisters case the notion of empowerment and the rejection of those values that daily result in all that is anti gay have been replaced with a misguided community ethic and identity politic that encourages inequality This is best exemplified in the gay male pornography defended in Little Sisters as liberation and central to sexual freedom Gay Male Pornography rejects the equality claims of gay male pro pornography advocates and argues that there is little to be gained from sexualized conformity To date no one has taken the position that gay male pornography violates the legal right to sex equality This book does that and as such it will be of value to scholars of law sociology and gender studies as well as to all who have an interest in equality and justice

Harm Piper Davenport, 18 Novella for language and sexual situations Harm My past is one of tragedy and sadness but I've worked too hard to make a new life for myself with my club brothers at my back Just when I thought everything was as it should be a sexy older woman walks into my life her own demons nipping at her heels Brynley I'm used to putting the needs of others before my own which serves me well as a nurse but it's also left me shattered and broke after a nasty divorce And now to make things worse my psycho ex husband wants me back and he's willing to do anything to get me

Sugar Daddy Xan Collins, Xander Collins, 2021-03-19 The darker the love the sweeter the pain Bruce Anderson has a dark past He was forced to move away and abandon all of his relationships when his lover Marshall Grady threatened to expose him in a fit of jealous rage One of

those relationships was with Jackson Marshall's son. That was years ago and Jackson is nineteen now. He's in college and is trying to make a life on his own. It's hard though. He doesn't have much money and is forced to live off of the help of others when he runs away from his controlling father. When Jackson finally gets to know Bruce again after so many years, he's thrilled but he's also scared because he has thoughts and feelings he can't control. When he was younger, he'd always thought of him as a father figure and now he sees him as the kind of lover he desperately needs. A Daddy. When Bruce takes Jackson into his home, the tension becomes very intense because Bruce has deep feelings for Jackson as well. Secret feelings he vows never to ever act on. Jackson knows Marshall spied on him. He says it was to protect him from Bruce but Jackson finds out that most of the things his dad told him about Bruce were lies. Bruce doesn't dare tell Jackson everything though because he knows full well there is some truth mixed in. Bruce has dark desires that he has tried to suppress for years but his secret feelings for Jackson bring them all up to the surface. He can't stop thinking about the young man and all the things he wants to do to him. But the last thing Bruce wants is to hurt Jackson, who he used to mentor and care for. The closer Bruce and Jackson become, the harder it is to deny their deep connection. But Bruce cannot let himself go. He knows if he loses his grip, the sadistic Dom side of him will emerge and he will lose all control. He knows no matter how much Jackson begs and pleads, he won't be able to stop himself from his desire to inflict pain and suffering on the young man he loves so deeply. Sugar Daddy: A Dark M/M Age Gap Romance was previously published under a different title by X Collins and has been extensively rewritten and edited. This version is a dark romance of 44,000 words with themes of BDSM, humiliation, age gap, and 24/7.

Sexing the Trinity Gavin D'Costa, 2000. In this controversial study, D'Costa examines the Christian doctrine of the Trinity as a cultural artefact. Because the church is made up of gendered persons, the author views the questions of gender and culture as crucial in his study. *Love Me Harder - The Breathless Series - The Final Chapter* McKenzi Lake, 2018-10-09. Was there really such a thing as starting over? I'd survived the most horrendous things life had to offer, left the nightmares of my past behind me, and started a new life. At least I thought I had. Until that day. That day I was sitting in the coffee shop. The bell chimed and pulled my attention to the man walking through the door. His dominant nature captivated me. Caught me off guard and shook me to my core. I couldn't explain the intense pull I felt. His eyes on me as he walked by. The intensity seared me to my seat. I wanted him to touch me. I wanted him to take my breath and never let it go. To give me pleasure with the pain. Something bigger than both of us. Beyond bliss, I wanted him to be the man that would Love Me Harder. **A Companion to Simone de Beauvoir** Laura Hengehold, Nancy Bauer, 2017-07-27. Bottoms Up Xiomara Verence Cervantes-Gomez, 2024-08-13 Proposes a queer way to be in the world and with others Invoking queer aesthetics ethics and politics Bottoms Up explores a sexual way to be with others while living with loss Xiomara Cervantes Gomez demonstrates how aesthetic representations of sex namely bottoming function as allegorical paradigms revealing the assemblages of violence that have constituted the social cultural and political shifts of Mexico and US Latinx culture from 1950 to the present With playful theoretically nuanced prose Cervantes Gomez builds upon queer of color theory and continental philosophy to present the bottom as a form of relational performance which she terms *pasivo* ethics The argument develops through a series of compelling case studies including a series of novels by

Octavio Paz and Luis Zapata that trace the position of the bottom in Mexican nationalist literature the forms of exposure risk and proximity in the performance work of artist Lechedevirgen Trimegisto a reading of violence and the erotic in the work of artist Bruno Ramri and reading artists such as Yosimar Reyes Yanina Orellana and Carlos Martiel as they build a framework of sexual inheritance that carries the traumas of Mexicanness into the diaspora Through a broad archive rooted in hemispheric Latinx performance Bottoms Up considers how sexual and political power are bound up with each other in the shaping of Mexicanness Placing particular emphasis on questions of queer and trans Mexican embodiment the book explains how Mexicanness is constituted through discourses of exposure

Who Cooked Adam Smith's Dinner? Katrine Marcal, 2016-06-07 How do you get your dinner That is the basic question of economics When economist and philosopher Adam Smith proclaimed that all our actions were motivated by self interest he used the example of the baker and the butcher as he laid the foundations for economic man arguing that the baker and butcher didn't give bread and meat out of the goodness of their hearts It's an ironic point of view coming from a bachelor who lived with his mother for most of his life a woman who cooked his dinner every night The economic man has dominated our understanding of modern day capitalism with a focus on self interest and the exclusion of all other motivations Such a view point disregards the unpaid work of mothering caring cleaning and cooking It insists that if women are paid less then that's because their labor is worth less A kind of feminist Freakonomics Who Cooked Adam Smith's Dinner charts the myth of economic man from its origins at Adam Smith's dinner table its adaptation by the Chicago School and its disastrous role in the 2008 Global Financial Crisis in a witty and courageous dismantling of one of the biggest myths of our time
