

SMART SGOs are...

Specific	Measurable	Attainable/ Ambitious	Results- driven	Timed
The SGO should be simplistically written, and clearly defined. The SGO should focus on a specific content area or skill.	The SGO should be measurable and provide tangible evidence that you have achieved the objective.	The SGO should be attainable; reasonably challenging both you and your students, but clearly defined so that it can be achieved.	The SGO should focus on measuring outcomes, not activities.	The SGO should be organized around a timeframe that presents a reasonable sense of urgency.
