Shakespeare beyond Doubt Paul Edmondson, Stanley Wells, 2013-04-18 Did Shakespeare write Shakespeare The authorship question has been much treated in works of fiction film and television provoking interest all over the world Sceptics have proposed many candidates as the author of Shakespeare's works including Francis Bacon Christopher Marlowe and Edward De Vere the seventeenth Earl of Oxford But why and how did the authorship question arise and what does surviving evidence offer in answer to it This authoritative accessible and frequently entertaining book sets the debate in its historical context and provides an account of its main protagonists and their theories Presenting the authorship of Shakespeare's works in relation to historiography psychology and literary theory twenty three distinguished scholars

reposition and develop the discussion The book explores the issues in the light of biographical textual and bibliographical evidence to bring fresh perspectives to an intriguing cultural phenomenon **The Cambridge Companion to Shakespeare's Last Plays** Catherine M. S. Alexander, 2009-07-16 In this book leading international Shakespeare scholars consider the significant characteristics of Shakespeare's last plays and place them in their Jacobean context Serial Shakespeare Elisabeth Bronfen, 2020-10-27 Shakespeare is everywhere in contemporary media culture This book explores the reasons for this dissemination and reassemblage Ranging widely over American TV drama it discusses the use of citations in *Westworld* and *The Wire* demonstrating how they tap into but also transform Shakespeare's preferred themes and concerns It then examines the presentation of female presidents in shows such as *Commander in Chief* and *House of Cards* revealing how they are modelled on figures of female sovereignty from his plays Finally it analyses the specifically Shakespearean dramaturgy of *Deadwood* and *The Americans* Ultimately the book brings into focus the way serial TV drama appropriates Shakespeare in order to give voice to the unfinished business of the American cultural imaginary

**Shakespeare, Theology, and the Unstaged God** Anthony D. Baker, 2019-08-05 While many scholars in Shakespeare and Religious Studies assume a secularist viewpoint in their interpretation of Shakespeare's works there are others that allow for a theologically coherent reading Located within the turn to religion in Shakespeare studies this book goes beyond the claim that Shakespeare simply made artistic use of religious material in his drama It argues that his plays inhabit a complex and rich theological atmosphere individually by genre and as a body of work The book begins by acknowledging that a plot controlling God figure or even a consistent theological dogma is largely absent in the plays of Shakespeare However it argues that this absence is not necessarily a sign of secularization but functions in a theologically generative manner It goes on to suggest that the plays reveal a consistent if variant attention to the theological possibility of a divine presence mediated through human wit both in gracious and malicious forms Without any prejudice for divine intervention the plots actually gesture on many turns toward a hidden supernatural actor or God Making bold claims about the artistic and theological of Shakespeare's work this book will be of interest to scholars of Theology and the Arts Shakespeare and Literature more generally **Shakespeare Saved My Life** Laura Bates, 2013-04-02 A female professor a super maximum security prisoner and how Shakespeare saved them both Shakespeare professor and prison volunteer Laura Bates thought she had seen it all That is until she decided to teach Shakespeare in a place the bard had never been before supermax solitary confinement In this unwelcoming place surrounded by inmates known as the worst of the worst is Larry Newton A convicted murderer with several escape attempts under his belt and a brilliantly agile mind on his shoulders Larry was trying to break out of prison at the same time Laura was fighting to get her program started behind bars A testament to the power of literature Shakespeare Saved My Life is a remarkable memoir Fans of *Orange Is the New Black* Piper Kerman *A Place to Stand* Jimmy Baca and *I Couldn't Help Myself* Wally Lamb will be inspired by the story of the most unlikely friendship one bonded by Shakespeare

and lasting years a friendship that would in the end save more than one life What readers are saying about Shakespeare Saved My Life I was tremendously moved by both the potential impact of Shakespeare and learning on human beings and the story of this one man This is one of the most extraordinary books I ve ever read I have never read a book that touched me as much as this memoir It is a challenging and remarkable story I loved this book so much It changed my life What reviewers are saying about Shakespeare Saved My Life You don t have to be a William Shakespeare fan a prisoner or a prison reformer to appreciate this uplifting book Shakespeare Saved My Life also reveals many important truths about the meaning of empathy in our dealings with others Finger Lake Times Shakespeare Saved My Life touches on the search for meaning in life the struggles that complicate the path to triumph and the salvation that can be found in literature s great works An inspiring account Shelf Awareness Opening the mind s prison proves enormously gratifying not to mention effective brave groundbreaking work Publishers Weekly An eye opening study reiterating the perennial power of books self discipline and the Bard of Avon Kirkus A powerful testament to how Shakespeare continues to speak to contemporary readers in all sorts of circumstances Booklist
