OVER 100 000 COPIES SOLD
Encounter a Deeper Experience of God's Goodness and Love All Year Long
Names in the ancient world did more than simply distinguish one person from another. They often conveyed the essential nature and character of a person. This is especially true when it comes to the names and titles of God recorded in the Bible. Based on *Praying the Names of God* and *Praying the Names of Jesus*, two bestselling books by Ann Spangler, this unique Bible study helps you explore the most important of God's names and titles as they are revealed in the Bible. It also teaches you how to pray with specific focus on each of the names of God. Each week's study includes: The name in English as well as in its original language plus a brief explanation of its meaning. A key passage from *The Names of God Bible* in which the name is revealed. This translation places the Hebrew name of God directly into the English text, which will allow you to recognize each name as you compare the passage to your preferred Bible translation. Context to help you understand the name. Questions for personal reflection. Guidance to help you pray the name of God for that week. Space to write your own prayers containing God's name. This 52-week study on the names and titles of God will help you experience him in fresh and deeper ways, revealing many surprising connections between the Old and New Testaments. As you explore his names, you will come face-to-face with the God of Scripture, a God who is both the greatest of all Kings and the most loving of all Fathers. A God enthroned on high who bends low so that we can come to know him.

Preaching the Beatitudes for the Glory of God Landis Brown, 2025-01-21 For far too long the Beatitudes have been misunderstood as a daunting checklist of requirements for believers to meet to gain the promises at the end of each statement Preaching the Beatitudes with this interpretation places unnecessary pressure upon believers to meet such high standards Help believers break free from the burden of trying to make their lives match the Beatitudes by showing them that in Christ they already fulfill them This book aims to help preachers preach the Beatitudes as a vibrant profile of believers already in Christ Each Beatitude is not a duty to fulfill but a promise to claim promises that allow the believer to live in a state of flourishing in the present not waiting till they reach heaven In these perilous times believers need reminding of their identity in Christ and the promises that come with it Through an in depth exploration of the Greek word makarios this book illuminates Christ's intent when giving the Beatitudes to his disciples showing how every believer can live in flourishing state due to the present and future promises Christ gives in each statement May readers rediscover the promises and assurance Jesus gives to all believers at the beginning of the greatest sermon ever preached the Sermon on the Mount **NET Bible, Full Notes Edition (NET)** Thomas Nelson, 2025-08-19 Ever feel lost in translation With the NET Full notes Edition of the Holy Bible you don't need to be Modern readers can find it challenging to connect with biblical writers ancient words and cultural contexts This Bible offers a new solution pairing a readable everyday English translation with the largest set of translators notes ever created for a Bible The NET's nearly 60 000 notes bring complete transparency to every major translation decision and invite you to look over the translators shoulders allowing you to deepen your understanding of the Scriptures It is an indispensable resource for every Bible reader The New English Translation NET is faithful to the text clear to modern readers and establishes an unparalleled accountability Translated by a team of leading biblical scholars the NET marries fidelity to original texts with everyday English clarity Enrich your reading experience of Scripture with the NET Faithful Clear Accountable Trusted by Bible readers worldwide the NET Full Notes has been recognized with the ECPA Bronze Award for selling over 100 000 copies Features include Faithful The newest complete English translation based on the most up to date manuscript discoveries and scholarship Clear Modern English for modern readers Accountable A translation that explains itself nearly 60 000 translators notes offer unprecedented transparency Durable Smyth sewn binding lays flat in your hand or on your desk Notes are conveniently organized into Translation Notes TN Study Notes SN and Text Critical Notes TC Full color maps show the layout of Israel and other biblical locations for better context *Brill's Content* ,1999 *The Gospel According to the Blues* Gary W. Burnett, 2015-03-26 The Gospel According to the Blues dares us to read Jesus's Sermon on the Mount in conversation with Robert Johnson Son House and Muddy Waters It suggests that thinking about the blues the history the artists the songs provides good stimulation for thinking about the Christian gospel Both are about a world gone wrong about injustice about the human condition and about hope for a better world In this book Gary Burnett probes both the gospel and the history of the blues to help us understand better the nature of the good news

that Jesus preached and its relevance and challenge to us **Israeli Development Aid to Sub-Saharan Africa** Karolina Zielińska, 2021-03-01 This book deals with Israeli development aid to Sub Saharan Africa countries as a part of Israeli foreign policy The analysis is framed by the concept of soft power an assumption that development cooperation increases attractiveness of the donor and contributes to constructive bilateral and multilateral relations Israel is a particular case of a donor as it concentrates on technical aid and its aid is motivated by a particular set of ideological and pragmatic motives Covering the period since the 1950s till today the book analyses particular Israeli resources relevant for African development and the system and contents of Israeli development aid with a particular focus on a new phenomenon of the engagement of businesses and NGOs Zielińska explores the geopolitical context of Israeli aid for Sub Saharan countries and the recipients perception of Israeli aid asking if and how these attitudes influence the recipients behaviour towards Israel within their bilateral relations as well as on multilateral forums Contributing to the knowledge of development diplomacy as a form of expression of soft power and as a tool of foreign policy it will be of interest to international relations students and faculty as well as to other people professionally dealing with Israeli foreign policies *Psalms for Preaching and Worship* Roger E. Van Harn, Brent A. Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of Preaching Christ from the Old Testament and Preaching Christ from Genesis Here is something even better than a simple completion of The Lectionary Commentary which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological Seminary Contributors Nancy R Bowen William P Brown Walter Brueggemann Richard J Clifford Nancy L deClaiss Walford Jennifer S Green Karl N Jacobson Rolf A Jacobson Melody D Knowles Eunna P Lee Joel M LeMon James Limburg J Clinton McCann James K Mead Carol A Miles Luke A Powery Stephen Breck Reid Sandra L Richter Cynthia L Rigby Kathryn L Roberts Brent A Strawn Beth LaNeel Tanner Roger E Van Harn Raymond C Van Leeuwen J Ross Wagner Gerald H Wilson John Witvliet Christine Roy Yoder [Catalog of Copyright Entries](#) Library of Congress.
