Leroux**

Sharing Time June 2014:

Law and the "Sharing Economy" Derek McKee, Finn Makela, Teresa Scassa, 2018-11-27 Controversy shrouds sharing economy platforms It stems partially from the platforms economic impact which is felt most acutely in certain sectors Uber drivers compete with taxi drivers Airbnb hosts compete with hotels Other consequences lie elsewhere Uber is associated with a trend toward low paying precarious work whereas Airbnb is accused of exacerbating real estate speculation and raising the cost of long term rental housing While governments in some jurisdictions have attempted to rein in the platforms technology has enabled such companies to bypass conventional regulatory categories generating accusations of unfair competition as well as debates about the merits of existing regulatory regimes Indeed the platforms blur a number of familiar distinctions including personal versus commercial activity infrastructure versus content contractual autonomy versus hierarchical control These ambiguities can stymie legal regimes that rely on these distinctions as organizing principles including those relating to labour competition tax insurance information the prohibition of discrimination as well as specialized sectoral regulation This book is organized around five themes technologies of regulation regulating technology the sites of regulation local to global regulating markets and regulating labour Together the chapters offer a rich variety of insights on the regulation of the sharing economy both in terms of the traditional areas of law they bring to bear and the theoretical perspectives that inform their analysis Published in English

Sharing Big Data Safely Ted Dunning, Ellen Friedman, 2015-09-15 Many big data driven companies today are moving to protect certain types of data against intrusion leaks or unauthorized eyes But how do you lock down data while granting access to people who need to see it In this practical book authors Ted Dunning and Ellen Friedman offer two novel and practical solutions that you can implement right away Ideal for both technical and non technical decision makers group leaders developers and data scientists this book shows you how to Share original data in a controlled way so that different groups within your organization only see part of the whole You ll learn how to do this with the new open source SQL query engine Apache Drill Provide synthetic data that emulates the behavior of sensitive data This approach enables external advisors to work with you on projects involving data that you can t show them If you re intrigued by the synthetic data solution explore the log synth program that Ted Dunning developed as open source code available on GitHub along with how to instructions and tips for best practice You ll also get a collection of use cases Providing lock down security while safely sharing data is a significant challenge for a growing number of organizations With this book you ll discover new options to share data safely without sacrificing security

Global Private International Law Horatia Muir Watt,, Lucia Bíziková, Agatha Brandão de Oliveira, Diego P. Fernandez Arroyo, Providing a unique and clearly structured tool this book presents an authoritative collection of carefully selected global case studies Some of these are considered global due to their internationally relevant subject matter whilst others demonstrate the blurring of traditional legal categories in an age of accelerated cross border movement The study of the selected cases in their political cultural social and economic

contexts sheds light on the contemporary transformation of law through its encounter with conflicting forms of normativity and the multiplication of potential fora

Sustainable Consumption Audley Genus, 2016-05-28 This book originates from the work of contributors to initiatives and global networks promoting and pursuing lines of enquiry that recognise and probe relationships between sustainable consumption design and production and the implications of those relationships for new economic activity and the way we live and govern ourselves It features contributions from social scientists e g from the fields of innovation studies geography environmental policy and sociology and practitioners serving to generate a short list of research perspectives and topics around which future research and actions in practice will be orientated The book consists of ten chapters divided into three parts focusing on perspectives methodological insights empirical work integrating consumption and production and site specific practitioner oriented case studies The conclusion examines the key aspects of policy research and practical implications

Waste to Wealth Peter Lacy, Jakob Rutqvist, 2016-04-30 Waste to Wealth proves that green and growth need not be binary alternatives The book examines five new business models that provide circular growth from deploying sustainable resources to the sharing economy before setting out what business leaders need to do to implement the models successfully

Move: Putting America's Infrastructure Back in the Lead Rosabeth Moss Kanter, 2015-05-11 Americans are stuck Americans are stuck We live with travel delays on congested roads shipping delays on clogged railways and delays on repairs and project approvals due to gridlocked leadership And when we can't move when goods are delayed and when information networks can't connect then economic opportunity deteriorates and social inequity grows We don't have to take it anymore In Move Harvard Business School professor and bestselling author Rosabeth Moss Kanter visits the business leaders mayors transportation advocates and entrepreneurs across the country tackling these challenges through underwater tunnels instant bridges road sensors parking apps bike sharing programs seamless wifi and much more It all adds up to a new vision for American mobility where local leaders and public private partnerships lead the way With unique insight and unrivaled expertise Kanter gives us a sweeping look at the innovative projects vital leaders and bold solutions that are moving our transportation infrastructure toward a cleaner faster and more prosperous future

The Culture Warrior Joe Scarlett, 2023-09-07 This book is comprised of 150 articles written between 2008 and 2022 Most were published in the Nashville Business Journal with several appearing in other newspapers You will find more than two dozen articles related to my favorite topic management and leadership skills As you will see I also touch on the importance of ethical behavior in and out of the business world These articles are separated into twelve topic driven chapters with the addition of one chapter containing miscellaneous op eds It is my sincere hope that reading these articles will help you improve your leadership skills at least in some small way

Generation Share Matofska, Benita, Sheinwald, Sophie, 2020-05-26 Generation Share takes readers on a journey around the globe to meet the people who are changing and saving lives by building a Sharing Economy Through stunning photography social commentary and interviews with 200

change makers Generation Share showcases extraordinary stories demonstrating the power of Sharing From the woman transforming the lives of slum girls in India to the UK entrepreneur who has started a food sharing revolution you ll discover the creators of a life saving human milk bank a trust cafe and a fashion library who are changing the world A collaboration between speaker social innovator and global Sharing Economy expert Benita Matofska and photographer Sophie Sheinwald Generation Share brings to life the phenomenon causing the most significant shift in society since the Industrial Revolution

Opportunistic Spectrum Sharing and White Space Access Oliver Holland,Hanna Bogucka,Arturas Medeisis,2015-06-15 Details the paradigms of opportunistic spectrum sharing and white space access as effective means to satisfy increasing demand for high speed wireless communication and for novel wireless communication applications This book addresses opportunistic spectrum sharing and white space access being particularly mindful of practical considerations and solutions In Part I spectrum sharing implementation issues are considered in terms of hardware platforms and software architectures for realization of flexible and spectrally agile transceivers Part II addresses practical mechanisms supporting spectrum sharing including spectrum sensing for opportunistic spectrum access machine learning and decision making capabilities aggregation of spectrum opportunities and spectrally agile radio waveforms Part III presents the ongoing work on policy and regulation for efficient and reliable spectrum sharing including major recent steps forward in TV White Space TVWS regulation and associated geolocation database approaches policy management aspects and novel licensing schemes supporting spectrum sharing In Part IV business and economic aspects of spectrum sharing are considered including spectrum value modeling discussion of issues around disruptive innovation that are pertinent to opportunistic spectrum sharing and white space access and business benefits assessment of the novel spectrum sharing regulatory proposal Licensed Shared Access Part V discusses deployments of opportunistic spectrum sharing and white space access solutions in practice including work on TVWS system implementations standardization activities and development and testing of systems according to the standards Discusses aspects of pioneering standards such as the IEEE 802 22 Wi Far standard the IEEE 802 11af White Fi standard the IEEE Dynamic Spectrum Access Networks Standards Committee standards and the ETSI Reconfiguration Radio Systems standards Investigates regulatory and regulatory linked solutions assisting opportunistic spectrum sharing and white space access including geo location database approaches and licensing enhancements Covers the pricing and value of spectrum the economic effects and potentials of such technologies and provides detailed business assessments of some particularly innovative regulatory proposals The flexible and efficient use of radio frequencies is necessary to cater for the increasing data traffic demand worldwide This book addresses this necessity through its extensive coverage of opportunistic spectrum sharing and white space access solutions Opportunistic Spectrum Sharing and White Space Access The Practical Reality is a great resource for telecommunication engineers researchers and students

Spectrum Sharing Constantinos B. Papadias,Tharmalingam Ratnarajah,Dirk T. M. Slock,2020-06-02 Combines the latest

trends in spectrum sharing both from a research and a standards regulation experimental standpoint Written by noted professionals from academia industry and research labs this unique book provides a comprehensive treatment of the principles and architectures for spectrum sharing in order to help with the existing and future spectrum crunch issues It presents readers with the most current standardization trends including CEPT CEE eLSA CBRS MulteFire LTE Unlicensed LTE U LTE WLAN integration with Internet Protocol security tunnel LWIP and LTE Wi Fi aggregation LWA and offers substantial trials and experimental results as well as system level performance evaluation results The book also includes a chapter focusing on spectrum policy reinforcement and another on the economics of spectrum sharing Beginning with the historic form of cognitive radio Spectrum Sharing The Next Frontier in Wireless Networks continues with current standardized forms of spectrum sharing and reviews all of the technical ingredients that may arise in spectrum sharing approaches It also looks at policy and implementation aspects and ponders the future of the field White spaces and data base assisted spectrum sharing are discussed as well as the licensed shared access approach and cooperative communication techniques The book also covers reciprocity based beam forming techniques for spectrum sharing in MIMO networks resource allocation for shared spectrum networks large scale wireless spectrum monitoring and much more Contains all the latest standardization trends such as CEPT ECC eLSA CBRS MulteFire LTE Unlicensed LTE U LTE WLAN integration with Internet Protocol security tunnel LWIP and LTE Wi Fi aggregation LWA Presents a number of emerging technologies for future spectrum sharing collaborative sensing cooperative communication reciprocity based beamforming etc as well as novel spectrum sharing paradigms e g in full duplex and radar systems Includes substantial trials and experimental results as well as system level performance evaluation results Contains a dedicated chapter on spectrum policy reinforcement and one on the economics of spectrum sharing Edited by experts in the field and featuring contributions by respected professionals in the field world wide Spectrum Sharing The Next Frontier in Wireless Networks is highly recommended for graduate students and researchers working in the areas of wireless communications and signal processing engineering It would also benefit radio communications engineers and practitioners Remembering British Television Kristyn Gorton,Joanne

Garde-Hansen,2019-03-21 This original book asks how in an age of convergence when television no longer means a box in the corner of the living room that we sit and watch together do we remember television of the past How do we gather and archive our memories Kristyn Gordon and Joanne Garde Hansen explore these questions through first person interviews with tv producers curators and archivists and case studies of popular television series and fan communities such as Cold Feet and Doctor Who Their discussion takes in museum exhibitions popular television nostalgia programming and vintage tv websites

Marketing Gary Armstrong,Philip Kotler,Michael Harker,Ross Brennan,2019 La 4 de couv indique Marketing An Introduction introduces students at all levels undergraduate postgraduate and professional courses to marketing concepts It focuses on how to build profitable customer relationships by encouraging students to apply concepts to real commercial

practice through numerous case studies from around the world Now updated with the last ideas in digital marketing such as big data analytics and social marketing as well as up to date case studies from a range of consumer and industrial brands including Netflix Aldi Spotify Phillips Renault and Airbus 380 this fourth edition combines the clarity and authority of the Kotler brand within the context of European marketing practice Marketing An Introduction makes learning and teaching marketing more effective easier and more enjoyable The text s approachable style and design are well suited to cater to the enormous variety of students taking introductory marketing classes Electronic Commerce Efraim Turban,David King,Jae Kyu Lee,Ting-Peng Liang,Deborrah C. Turban,2015-01-29 Throughout the book theoretical foundations necessary for understanding Electronic Commerce EC are presented ranging from consumer behavior to the economic theory of competition Furthermore this book presents the most current topics relating to EC as described by a diversified team of experts in a variety of fields including a senior vice president of an e commerce related company The authors provide website resources numerous exercises and extensive references to supplement the theoretical presentations At the end of each chapter a list of online resources with links to the websites is also provided Additionally extensive vivid examples from large corporations small businesses from different industries and services governments and nonprofit agencies from all over the world make concepts come alive in Electronic Commerce These examples which were collected by both academicians and practitioners show the reader the capabilities of EC its cost and justification and the innovative ways corporations are using EC in their operations In this edition previous editions published by Pearson Prentice Hall the authors bring forth the latest trends in e commerce including social businesses social networking social collaboration innovations and mobility **The Fairness ‘Dilemma’ in Sharing the Nile Waters** Zeray Yihdego,2017-06-12 In The Fairness Dilemma in Sharing the Nile Waters Zeray Yihdego enquires into the fairness issues in connection with the construction of the Grand Ethiopian Renaissance Dam GERD in light of relevant colonial era Nile treaties post 1990 Nile framework instruments and international watercourses law The GERD is now a fait accompli but fairness considerations will continue to be vital issues during its construction filling and operation This monograph argues that the GERD is a symbol of a fair share of the Nile waters by Ethiopia the realization of which depends on inter alia an appropriate economic return benefit sharing and prevention of significant impacts Yihdego articulates the lessons that can be applied to public international law and suggests a process to address the issue of unfair agreements arguing that although the principle of fairness s application can be complex the notions of procedural fairness and distributive justice can define and delineate the principle with reference to a specific treaty regime The Art and Craft of Literacy Pedagogy Jennifer Rowsell,2020-05-18 In tracing community and how art and craft can be harnessed to express and manifest communities this book raises fundamental questions and issues about the nature of literacy in everyday lives Threaded throughout the contributions is an abiding belief in the expansive and flexible nature of literacy which might one moment involve photography in the next drama and in the next invite song coupled with

movement Something happens to literacy when it is seen through multiple modalities of meaning and communication it moves from a thing to a thought and a feeling Pedagogically the book offers readers a carousel of places and people to witness literacy with from young children all the way to grandparents This opens up a sense of geography and age proving that literacy really does reside in the centre and corners of our lives With nine chapters by scholars in Canada the United Kingdom and the United States all researching under the umbrella of the same research study the collection provides a unique perspective on human and aesthetic communication and shows differences between social groups This book was originally published as a special issue of *Pedagogies An International Journal*

Radiation Hardened CMOS Integrated Circuits for Time-Based Signal Processing Jeffrey Prinzie, Michiel Steyaert, Paul Leroux, 2018-04-26 This book presents state of the art techniques for radiation hardened high resolution Time to Digital converters and low noise frequency synthesizers Throughout the book advanced degradation mechanisms and error sources are discussed and several ways to prevent such errors are presented An overview of the prerequisite physics of nuclear interactions is given that has been compiled in an easy to understand chapter The book is structured in a way that different hardening techniques and solutions are supported by theory and experimental data with their various tradeoffs Based on leading edge research conducted in collaboration between KU Leuven and CERN the European Center for Nuclear Research Describes in detail advanced techniques to harden circuits against ionizing radiation Provides a practical way to learn and understand radiation effects in time based circuits Includes an introduction to the underlying physics circuit design and advanced techniques accompanied with experimental data

The Future of Airbnb and the 'Sharing Economy' Jeroen A. Oskam, 2019-04-15 This book deconstructs the sharing marketing narratives surrounding Airbnb and similar platforms It provides a conceptual analysis of the sharing economy and accommodation sector and furthers the ongoing discussion surrounding Airbnb and the social sustainability of city tourism The volume analyses the touristification of neighbourhoods in the context of broader economic and ideological shifts thus bridging the gap between academic and social debate It presents four different city scenarios of potential future developments and evaluates the effects of different regulatory responses giving readers an understanding of the forces and factors at work and envisioning the ultimate consequences of current developments The book will appeal to students and researchers in tourism and hospitality studies futures studies and urban planning as well as to policymakers and strategists in the hospitality and tourism sectors

Faithful Neighbors Robert S. Heaney, Zeyneb Sayilgan, Claire Haymes, 2016-08-24 Faithful Neighbors outlines an introduction to the rationale for interfaith work through both theological and practical viewpoints using stories from real experiences of interfaith cooperation to offer encouragement inspiration and practical steps to do the same The book has eight chapters in three main sections Section one provides a Christian and Muslim rationale for engaging with the Other Section two outlines stories of those involved in interfaith work in a series of contexts academic research intercultural pastoral care youth work and peace work The concluding section details

recommendations and resources for best practice Faithful Neighbors exhorts both Muslims and Christians to be faithful neighbors drawing on their traditions and real life practice for the sake of life giving community

A History of Sports Video Games Lu Zhouxiang, 2024-12-09 This book explores the history of sports and sports themed video games providing a comprehensive and holistic view of this complex and diverse genre The author highlights the influence of technological advancement industry competition and popular culture on game design marketing strategies and user experience Offering valuable insights into the historical process of interaction and integration between real world sport and video games this volume will enrich existing scholarship on video games This volume is a valuable contribution to the fields of both game studies and sports studies and will be perfect for those interested in the history of science and technology as well as social and cultural history

Employee Ownership and Profit Sharing Joseph Blasi, Jonathan Michie, 2025-08-04 This book explores a quiet revolution reshaping global capitalism the rise of employee ownership worker cooperatives and profit sharing enterprises With 17% of US adult workers now holding equity in their companies a new Employee Ownership Trust EOT being established daily in the UK a mature sector thriving in France extensive tax incentives in Canada the continued development of several mature worker cooperative sectors worldwide such as Mondragon and interest in many other nations shared ownership is no longer a fringe idea Authored by leading researchers this volume presents 16 studies on how equity and profit shares for workers operate exploring their impact on employees lives firm performance local communities the racial wealth gap and the determinants that drive success or failure in such enterprises This volume is one of the first to examine the emergence of businesses that share financial results with workers as a global phenomenon it positions this model as a significant development in postindustrial capitalism With a strong grounding in theory and a coherent conceptual framework to explain observed behaviors and responses of workers managers and firms this volume offers evidence based insights that should influence policy in countries around the world This book will be essential reading for scholars and students in economics sociology business public policy labor studies and organizational theory as well as for policymakers practitioners and advocates interested in building more equitable and resilient economies The chapters in this book were first published in the *International Review of Applied Economics*

Whispering the Techniques of Language: An Psychological Journey through **Sharing Time June 2014**

In a digitally-driven earth wherever monitors reign great and quick communication drowns out the subtleties of language, the profound strategies and emotional nuances concealed within words frequently go unheard. Yet, located within the pages of **Sharing Time June 2014** a captivating fictional value pulsing with organic emotions, lies an exceptional journey waiting to be undertaken. Written by a skilled wordsmith, that charming opus encourages viewers on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the fabric of each word. Within the mental depths with this emotional evaluation, we will embark upon a sincere exploration of the book is primary subjects, dissect their interesting writing style, and fail to the strong resonance it evokes heavy within the recesses of readers hearts.

Sharing Time June 2014 Introduction

In today's digital age, the availability of Sharing Time June 2014 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sharing Time June 2014 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sharing Time June 2014 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sharing Time June 2014 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sharing Time June 2014 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sharing Time June 2014 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sharing Time June 2014 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sharing Time June 2014 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sharing Time June 2014 books and manuals for download and embark on your journey of knowledge?

FAQs About Sharing Time June 2014 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sharing Time June 2014 is one of the best book in our library for free trial. We provide copy of Sharing Time June 2014 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sharing Time June 2014. Where to download Sharing Time June 2014 online for free? Are you looking for Sharing Time June 2014 PDF? This is definitely going to save you time and cash in something you should think about.
