sentiments around southern baking run deep Sharpless takes delight in deflating stereotypes as she delves into the surprising realities underlying the creation and consumption of baked goods People who controlled the food supply in the South used baking to reinforce their power and make social distinctions Who used white cornmeal and who used yellow who put sugar in their cornbread and who did not had traditional meanings for southerners as did the proportions of flour fat and liquid in biscuits By the twentieth century however the popularity of convenience foods and mixes exploded in the region as it did nationwide Still while some regional distinctions have waned baking in the South continues to be a remarkable and remarkably tasty source of identity and entrepreneurship
