AMID MY QUESTIONABLE EXISTENCE Finding your purpose and calling in life can be intriguing if one cannot understand why they exist here on earth We all have a sense of the world Each person has the unique fingerprint of their destiny As for Rachel Tugutu from a very young age she felt something profound in her heart that there was something more that she couldn t wrap her mind around She believed that there was more to life than what met the eye This inner longing ignited a fire pushing her to question who she was and why she was born to be on this earth Her book Amid My Questionable Existence delves into internal and external adversity offering a unique perspective on life s challenges she talks about how she faced personal adversity which made her question why these challenges were happening to her and the reason behind all these struggles It seemed like life was throwing obstacles her way testing her resilience and determination But amidst the confusion and doubt she held on to the belief that there must be a greater purpose behind it all The process of finding her true purpose and calling was challenging It required patience self reflection and a deep connection with something beyond herself Rachel realized she could only find clarity and direction by relying on God She embarked on a journey of self discovery seeking guidance and wisdom from her faith Through prayer meditation and introspection Rachel began to uncover the pieces of her purpose puzzle She discovered her passions talents and values aligning them with her desire to impact the world positively With each step Rachel continues to grow closer to understanding her unique role in the grand tapestry of life She discovered that her purpose is not personal success or fulfillment serving others or making a difference It was about using her gifts to bring joy healing and inspiration to those around her As Rachel embraced her purpose she found a deep sense of fulfillment and contentment She no longer questioned why she was here because she knew that her existence had a higher meaning Her journey of finding purpose transformed her life allowing her to live with intention and passion Rachel s story serves as a reminder that finding one s purpose is a lifelong journey It requires courage faith and a willingness to explore the depths of one s soul But in the end the rewards are immeasurable a life filled with meaning impact and a deep sense of fulfillment About the Author Rachel Tugutu is a singer songwriter musician student music producer and author of Amid My Questionable Existence focusing on personal internal and external adversity With a humble beginning she developed a passion for music at a young age Her modern and orchestral sounds combined with contemporary observations create a sound that speaks to all generations spreading a message of hope for a better future *Advent Review and Sabbath Herald* ,1976 *Two Thousand Notable Americans* American Biographical Institute,1984 *Outdoor Recreation* Robert G.
