## **Sex Piston Biker Bitches Book 1:**

Sex Piston Jamie Begley, 2013-12-22 Stud has to prove himself as the new President of the Destructors and Sex Piston and her crew's attitude isn't helping. If he has to sacrifice his body to tame the bitch, then that's exactly what he's going to do even if it means losing his heart in the battle. **Cash's Fight** Jamie Begley, 2014 If it's not broke don't fix it. That was Cash's motto and his life was perfect. He was a lieutenant of The Last Riders, a motorcycle gang, and had women at his beck and call.

The only thing he could see himself settling down with was a twelve pack, certainly not Rachel Porter who was on his short list of women to avoid. Lucky's Choice Jamie Begley, 2015-10-01 Life dealt him a dead man's hand. Lucky had always led a life of service. Always put his life on the line for someone else, managing to survive by pure luck and skill. After bringing an end to a multi-state drug ring, he was finally able to live the life he had wanted as a Last Rider. A good man would walk away and not touch the curvy woman who had been tugging on his heartstrings. Lucky wasn't a good man. Therefore, the bad-ass biker in him had a choice: once again become the man he had pretended to be and stake his claim, or take the devil's highway. Some girls had all the luck. Willa wasn't one of them. All she wanted to do was give a home to the children she had made orphans. Instead, she found herself needing help from the man who had left the pulpit behind to embrace a life of sin. Painfully shy and withdrawn, she wanted a quiet life, a simple man, and well-behaved children. The last thing she had ever expected was for Lucky to want her size twenty body and show her a passion that would lead her straight to hell. **WARNING:** This work of fiction is intended for mature audiences only. Today, my unit retired from the military after serving in a top secret special forces unit of five badass bitches. With the military in our past, we have to move onto the next stage of our lives as civilians. After all the years together, our unit has decided that we should start our new life together. Over the years, the girls and I built a bond and have become a family. We agree to relocate to a small town in Western Pennsylvania, a place one of us grew up.
