From the time I started working as a sex therapist back in the early 1970s people have been talking to me about their sex lives. What I hear about most is the business of negotiating the sex supply. How do couples deal with the strain of the man wishing and hoping while all she longs for is the bliss of uninterrupted sleep. In *The Sex Diaries* Australia's leading sex therapist Bettina Arndt uncovers the night-time drama being played out in bedrooms everywhere: the creeping hand and feigning of sleep, the staying up late in the hope that he will doze off. It is one of the great inconvenient truths of relationships that after the first blissful years together most men want more sex than their female partners. Bettina Arndt recruited ninety-eight couples to keep diaries revealing their intimate negotiations over sex. Who feels like having sex? Who doesn't? And how do couples cope if one person wants it more than the other? She draws on her thirty-five years of experience as a sex therapist and psychologist to provide a provocative analysis that challenges our basic assumptions about sex. With her characteristic humour and insight Bettina Arndt proposes a new approach to how couples can enjoy regular sex and sustain loving relationships. *The Pink Rose Club Bundle Volumes 1-8* Autumn Skye, 2025-03-26

Seducing Hillary Hillary is on the fast track when it comes to her career. She can't say the same for her love life however. It doesn't exist. When she stumbles into the Pink Rose Club one night after another long day of all work and no play she isn't looking for anything other than a burger and a stiff drink. What she finds instead is Janneel a woman who knows how to have fun and who'd like nothing more than to take Hillary along for the ride. Janneel is everything Hillary isn't but wishes to be. She's beautiful, rich and not afraid to go after what she wants. What she wants right then is to take Hillary into her world where anything is possible and everything is theirs for the taking. When one steamy night leads to another the solution to all of Hillary's problems seem to lie in Janneel's hands and in her heart. Will Hillary be able to let go of her ambitions long enough to trade her career for love? *Seducing Baily* Old flames burn the brightest. I was trying to get my life on the fast track. Now that college was behind me I decided the best way to do this was to sit in the Pink Rose and have a drink while trying to decide exactly what it meant to be a grown-up. With my eyes on the future the last thing I expected was for a hot blast from the past to wonder in off the streets and sit down next to me. Tori was my first crush and I'd never really gotten over her even though she'd left town years ago. To her I'd always

just been her best friend's little sister but she was back now and I thought I might get a second chance Or I could wind up with a broken heart all over again This adulting thing was going to be harder than I thought Seducing Chastity The second I laid eyes on Ivy I knew I did but we came from different worlds She was out of my league or was she I'd seen her around campus and in Professor Brennan's class but we'd never spoken I was the quiet type who usually kept my nose in a book so how could I approach a beautiful girl like that Luckily I hung out at the Pink Rose Club It felt like a magical place a place where you could look for love and find that it might be looking for you too When Ivy walked in that night I knew I finally had my chance but could one night really turn into forever Seducing Paige Paige was used to working as a live in assistant She'd done every job from being a nanny to housesitting but her new position with successful author Madison Rodfield opened up a whole new world of both opportunities and challenges That is if she could stop fantasizing about the beautiful mysterious woman long enough to keep her mind on her duties Some challenges were harder to meet than others Madison had been living the life of a recluse and it had suited her fine until she'd met Paige Suddenly a solitary life in the country had never seemed so lonely She did need an assistant like Paige but she also needed so much more She'd already opened her doors to the lovely young woman Now could she open her heart as well Also includes 4 more stories Lesbian romance FF romance Sapphic romance LGBTQ age gap wealth gap college employer boss office slice of life friends to lovers instalove second chance small town hometown nerdy girl rock star romance lesbian novella lesbian short romance lesbian erom steamy lesbian romance
